

**AMENDMENT TO THE AMENDMENT IN THE  
NATURE OF A SUBSTITUTE TO H.R. 1474  
OFFERED BY MR. SHERMAN OF CALIFORNIA**

Page 4, strike lines 16 through 19 and insert the following:

1           “(1) the removal of prohibitions at the respec-  
2           tive bank against financial and technical assistance  
3           for the generation of nuclear energy to the extent  
4           that the client countries involved—

5                       “(A) have signed an agreement with the  
6           United States pursuant to section 123 of the  
7           Atomic Energy Act of 1954 (commonly referred  
8           to as a ‘123 Agreement’);

9                       “(B) agree to forego enrichment or repro-  
10           cessing of nuclear material (commonly referred  
11           to as the ‘Gold Standard’); and

12                      “(C) agree to ratify the Model Additional  
13           Protocol of the International Atomic Energy  
14           Agency; and”.
