1       “(b) CONDITIONS.—Subsection (a) shall not apply  
2 with respect to a bank referred to in subsection (a), and  
3 the United States Executive Director at the bank shall use  
4 the voice, vote, and influence of the United States to op-  
5 pose the provision by the bank of financing for a project  
6 to generate nuclear energy, until—

7               “(1) the bank has adopted—

8               “(A) a policy to obtain the affirmative con-  
9 sent of local communities and local civic society  
10 organizations before providing the financing;

11               “(B) a policy that such a project for which  
12 the financing is to be provided cannot com-  
13 mence until the bank has created a comprehen-  
14 sive plan that addresses the disposition of spent  
15 fuel and all waste materials resulting from the  
16 production of nuclear energy by the project, in-

1 including any hazardous materials used or pro-  
2 duced by the project during the process of pro-  
3 ducing nuclear energy; and

4 “(C) a policy that the owner and the prime  
5 contractor of the project, and the bank, can be  
6 subject to legal actions initiated by individuals,  
7 communities, or organizations seeking remedies  
8 for damages resulting from the project, includ-  
9 ing compensation for environmental harm,  
10 harm to health, financial harm, and property  
11 damage;

12 “(2) the United States Executive Director at  
13 the bank has received the plan referred to in para-  
14 graph (1)(B), and the Secretary of the Treasury has  
15 certified that the plan meets the requirements of  
16 paragraph (1)(B); and

17 “(3) the bank has made the plan available to  
18 the public on the website of the bank.”
