Page 9, after line 8, insert the following:

(3) Whether the school, or any local educational agency having jurisdiction over the school, had one or more school resource officers, and, if so, whether the school or local educational agency—

(A) reduced the number of school resource officers from the year preceding the incident;

(B) within the year preceding the incident, removed the school resource officers from the school building where the incident occurred; or

(C) within the year preceding the incident, imposed any other restrictions on the school resource officers’ duties or responsibilities.

(4) Whether the school, or any local educational agency having jurisdiction over the school, is located in a State, municipality, county, or other political subdivision within a State that has—

(A) eliminated or restricted the use of cash bail for certain crimes; or
(B) expanded the use of pre-trial release for individuals waiting for trial, and if so, if the State or political subdivision restricted judges from considering “dangerousness” when determining whether to release an individual pre-trial.

Page 9, after line 22, insert the following:

(7) Whether the school, or any local educational agency having jurisdiction over the school, has implemented, or is implementing, a behavioral program as an alternative to traditional discipline practices that includes elements of a restorative justice program or a positive behavioral supports program, and if so—

(A) how the school or local educational agency measures the effectiveness of such program; and

(B) whether the school or local educational agency is, or has been, involved in an investigation pertaining to the school or local educational agency’s discipline policy by the Office for Civil Rights of the Department of Education.
