“TRUTH IN TESTIMONY” DISCLOSURE FORM

Clause 2(g) of rule XI of the Rules of the House of Representatives and the Rules of the Committee require the disclosure of the following information. A copy of this form should be attached to your written testimony and will be made publicly available in electronic format, as required by House rules.

1. Date of Hearing: May 24, 2016

2. Your Name: Daniel L. Byman

3. Organization or organizations you are representing:

   I am a Senior Fellow at The Brookings Institution and a professor in the Security Studies Program at Georgetown University. However, as noted below, I am presenting testimony representing my personal views. As an independent think tank, the Brookings Institution does not take institutional positions on any issue. Nor does Georgetown University take an institutional position on any issues relevant to this hearing.

4. Since January 1, 2013, have you or your organization(s) received any Federal grants or contracts (including subgrants and subcontracts) related to the subject of the hearing or your representational capacity at the hearing? X Yes □ No (select one)

5. Since January 1, 2013, have you or your organization(s) received any contract or payment originating with a foreign government related to the subject of the hearing or your representational capacity at the hearing? X Yes □ No (select one)

6. If you answered “Yes” to either item 4 or 5, list the source and amount of each grant, contract, or payment. You may list additional grants, contracts, or payments on additional sheets.

   Consistent with the Brookings Institution’s commitment to independence (which includes not taking Institutional positions on issues), I am hereby informing the Committee that my
testimony represents my personal views and does not reflect the views of Brookings, its other scholars, employees, officers, and/or trustees.

In further response, with consideration to the fact that I am testifying on my personal views, I am providing a link to reports that outline Brookings’s donors, including any responsive Federal grants or contracts (including subgrants and subcontracts), and/or agreements or payments originating with a foreign government for the relevant time period. These Federal and/or foreign grants or payments were for independent research and analysis related to a number of subject matters, including a portion of which may be related to the subject matter of the hearing. Brookings will update these reports twice annually.

Furthermore, out of an abundance of caution, I have affirmatively responded to questions 5 and 6 above, in the event that some of the donors disclosed above are responsive to these questions.

Please also note that Brookings may also have ongoing agreements with a portion of the donors disclosed above, which could include future payments to Brookings. Upon request, Brookings will provide responsive information regarding ongoing agreements with any donors responsive to this disclosure.

Finally, in the event that you would like additional information related to Brookings’s donors, please review Brookings’s Annual Reports.

Similarly, on the advice of the Georgetown University Compliance Officer and other officials, I was instructed to report any funds given to my primary research and teaching center at Georgetown, where I am a professor in the Center for Security Studies (CSS) within the School of Foreign Service. The CSS has not received any federal grants related to the subject of the hearing according to Georgetown administration officials, nor has it received any money from a foreign government related to the subject of this hearing.

7. Are you an active registrant under the Foreign Agents Registration Act (FARA)? □ Yes X No (select one)
