

**Committee on Oversight and Reform
116th Congress**

**A Resolution
Offered by Chairman Elijah E. Cummings**

**Authorizing Issuance of Subpoena Related to Non-Official Electronic
Messaging Accounts**

Resolved, that upon the adoption of this resolution, the Chairman of the Committee on Oversight and Reform is authorized to subpoena records relating to the Committee's investigation into the use of non-official electronic messaging accounts by non-career officials at the White House, including from Acting White House Chief of Staff John Michael "Mick" Mulvaney, to secure the production to the Committee of all records described below:

1. All Presidential records sent or received by non-career officials at the White House using non-official electronic messaging accounts from January 21, 2017, to the present, including records created using text messages, phone-based message applications, or encryption software, that were not forwarded to the official accounts of the employees within 20 days;
2. All communications sent or received by White House employees, including employees in the National Security Council, from January 21, 2017, to the present, about whether messages sent or received by non-career officials through non-official electronic messaging accounts, including text messages, phone-based message applications, or encryption software, were classified or may contain classified information; and
3. All documents referring or relating to reports, allegations, or evidence of misuse of information technology systems by non-career officials at the White House, including reports of failure to protect sensitive information or reports of a failure to comply with White House policies for work-related communications, covering the time period from January 21, 2017, to the present.

This resolution is adopted pursuant to Rule 12 of the Oversight Committee and clause 2(m) of Rule XI of the U.S. House of Representatives.
