Committee Rule 2(g) authorizes the Chair of the Committee to prioritize the consideration of amendments filed 24 hours in advance of the consideration of matters before the Committee or Subcommittees. Pursuant to this rule, and at the Chair's discretion, the Committee may consider amendments that are pre-filed with the Committee Clerk prior to amendments offered at a markup.

Members should pre-file amendments with the Clerk of the Committee by emailing a searchable, electronic PDF copy of the amendment prepared by the House Legislative Counsel to the Clerks (Oversight_Clerks@mail.house.gov) no later than 24 hours in advance of the scheduled start of a business meeting in which the measure or matter to be amended will be considered.

Members are asked to include in the email accompanying the amendment text:

- (1) the name(s) of the Member(s) who will offer the amendment;
- (2) the name and number of the measure to be amended;
- (3) a brief, one-sentence description of the amendment; and
- (4) the name and phone number of a staff member who will serve as the point of contact for the amendment.

Pre-filed amendments will be compiled into a single roster, and the roster will be made available to Committee Members prior to business meetings.

Any amendment to a measure or matter before the Committee or a Subcommittee should be germane to the measure or matter, including in scope, subject matter, and Committee consideration.

The texts of measures to be considered should be available on the Committee Repository hosted on the Rules Committee website 48 hours in advance of the markup.

Accommodations for individuals with disabilities may be arranged by contacting Chioma Chukwu at OversightAccommodations@mail.house.gov or (202) 225-5051 at least four business days in advance of the scheduled hearing or business meeting.
