Postal workers say there will be no mail delivery for many homes and businesses in the 55104, 55114, 55406, 55407 and 55408 zip codes.

The mail for these residents will be held in a secure, off-site location.

The post office suspended service for several areas in Minneapolis and St. Paul on Thursday as protests boiled over across the Twin Cities in the wake of the death of George Floyd.
