That GOP stole the 2000 and 2004 presidential elections was an extremely common trope in liberal discourse for years (more so the 2000 but also 2004), as is the claim that the GOP only won in 2016 due to criminality and cheating. The last loss Dems regard as legitimate was 1988.

Big liar @TerryMcAuliffe told a #BigLie in 2004:

"They STOLE the last presidential election!"
