I. FISCAL YEAR 2025 BUDGET RECONCILIATION COMMITTEE PRINT

A. Summary

Markup of House Oversight Committee legislative proposals (“Committee Print”) to comply with the reconciliation directive included in section 2001 of the Concurrent Resolution on the Budget for Fiscal Year 2025, H. Con. Res. 14. The Committee Print would achieve \$30.716 billion in revenue increases by raising the FERS retirement contribution rate for certain existing federal civilian employees and postal employees up to the new rate of 4.4% of their salary. The Committee Print would save \$10.113 billion by eliminating the additional retirement annuity payment for new federal retirees that are eligible to retire before age 62 which they currently receive until they reach the age of Social Security retirement eligibility (exempted from this reform are those in federal occupations subject to mandatory early separation). The Committee Print would save \$4.750 billion by reducing federal pension benefit spending by basing a retiree’s annuity payment on their average highest five earning years (instead of highest three). The Committee Print would achieve \$4.541 billion in net savings by giving new Federal employee hires the option to elect to serve “at will” in exchange for higher take-home pay. The Committee Print would raise \$2 million in revenue by charging a modest fee for Merit Systems Protection Board (MSPB) filings that would be refunded to employees who win their appeals. The Committee Print would achieve \$1.5 billion in net savings by requiring a comprehensive audit of employee dependents currently enrolled in the Federal Employees Health Benefits (FEHB) Program plans—such as verifying marriage certificates and birth certificates—and require any ineligible individual found to be receiving FEHB coverage be disenrolled.

VI. AMENDMENT PROCESS:

Committee Rule 2(g) authorizes the Chair of the Committee to prioritize the consideration of amendments filed 24 hours in advance of the consideration of matters before the Committee or subcommittees. Pursuant to this rule, and at the Chair's discretion, the Committee may consider amendments that are pre-filed with the Committee clerk prior to amendments offered at a markup.

Members should pre-file amendments with the clerk of the Committee by emailing a searchable, electronic PDF copy of the amendment prepared by the House Legislative Counsel directly to GOP Oversight Clerks at GOP.Oversight.Clerks@mail.house.gov and Lauren Hassett at Lauren.Hassett@mail.house.gov at least 24 hours before the scheduled start of the business meeting. Members should include in the email accompanying the amendment text:

1. The name(s) of the Member(s) who will offer the amendment;
2. The name and number of the measure to be amended;
3. A brief, one-sentence description of the amendment; and
4. The name and phone number of a staff member who will serve as the point of contact for the amendment.

Pre-filed amendments will be compiled into a single roster, and the roster will be made available to Committee members prior to business meetings. Any amendment to a measure or matter before the Committee or a Subcommittee should be germane to the measure or matter, including in scope, subject matter, and Committee consideration. Votes on amendments likely will be grouped together at a time determined by the chair, pursuant to Committee Rules.
