

119TH CONGRESS  
1ST SESSION

# H. R. 2659

To ensure the security and integrity of United States critical infrastructure by establishing an interagency task force and requiring a comprehensive report on the targeting of United States critical infrastructure by People’s Republic of China state-sponsored cyber actors, and for other purposes.

---

## IN THE HOUSE OF REPRESENTATIVES

APRIL 7, 2025

Mr. OGLES (for himself, Mr. GREEN of Tennessee, Ms. LEE of Florida, Mr. MOOLENAAR, and Mr. GARBARINO) introduced the following bill; which was referred to the Committee on Homeland Security

---

## A BILL

To ensure the security and integrity of United States critical infrastructure by establishing an interagency task force and requiring a comprehensive report on the targeting of United States critical infrastructure by People’s Republic of China state-sponsored cyber actors, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Strengthening Cyber  
5 Resilience Against State-Sponsored Threats Act”.

1 **SEC. 2. INTERAGENCY TASK FORCE AND REPORT ON THE**  
2 **TARGETING OF UNITED STATES CRITICAL IN-**  
3 **FRASTRUCTURE BY PEOPLE’S REPUBLIC OF**  
4 **CHINA STATE-SPONSORED CYBER ACTORS.**

5 (a) INTERAGENCY TASK FORCE.—Not later than 120  
6 days after the date of the enactment of this Act, the Sec-  
7 retary of Homeland Security, acting through the Director  
8 of the Cybersecurity and Infrastructure Security Agency  
9 (CISA) of the Department of Homeland Security, in con-  
10 sultation with the Attorney General, the Director of the  
11 Federal Bureau of Investigation, and the heads of appro-  
12 priate Sector Risk Management Agencies as determined  
13 by the Director of CISA, shall establish a joint interagency  
14 task force (in this section referred to as the “task force”)  
15 to facilitate collaboration and coordination among the Sec-  
16 tor Risk Management Agencies assigned a Federal role or  
17 responsibility in National Security Memorandum–22,  
18 issued April 30, 2024 (relating to critical infrastructure  
19 security and resilience), or any successor document, to de-  
20 tect, analyze, and respond to the cybersecurity threat  
21 posed by State-sponsored cyber actors, including Volt Ty-  
22 phoon, of the People’s Republic of China by ensuring that  
23 such agencies’ actions are aligned and mutually rein-  
24 forcing.

25 (b) CHAIRS.—

1           (1) CHAIRPERSON.—The Director of CISA (or  
2           the Director of CISA’s designee) shall serve as the  
3           chairperson of the task force.

4           (2) VICE CHAIRPERSON.—The Director of the  
5           Federal Bureau of Investigation (or such Director’s  
6           designee) shall serve as the vice chairperson of the  
7           task force.

8           (c) COMPOSITION.—

9           (1) IN GENERAL.—The task force shall consist  
10          of appropriate representatives of the departments  
11          and agencies specified in subsection (a).

12          (2) QUALIFICATIONS.—To materially assist in  
13          the activities of the task force, representatives under  
14          paragraph (1) should be subject matter experts who  
15          have familiarity and technical expertise regarding cy-  
16          bersecurity, digital forensics, or threat intelligence  
17          analysis, or in-depth knowledge of the tactics, tech-  
18          niques, and procedures (TTPs) commonly used by  
19          State-sponsored cyber actors, including Volt Ty-  
20          phoon, of the People’s Republic of China.

21          (d) VACANCY.—Any vacancy occurring in the mem-  
22          bership of the task force shall be filled in the same manner  
23          in which the original appointment was made.

24          (e) ESTABLISHMENT FLEXIBILITY.—To avoid redun-  
25          dancy, the task force may coordinate with any preexisting

1 task force, working group, or cross-intelligence effort with-  
2 in the Homeland Security Enterprise or the intelligence  
3 community that has examined or responded to the cyberse-  
4 curity threat posed by State-sponsored cyber actors, in-  
5 cluding Volt Typhoon, of the People's Republic of China.

6 (f) TASK FORCE REPORTS; BRIEFING.—

7 (1) INITIAL REPORT.—Not later than 540 days  
8 after the establishment of the task force, the task  
9 force shall submit to the appropriate congressional  
10 committees the first report containing the initial  
11 findings, conclusions, and recommendations of the  
12 task force.

13 (2) ANNUAL REPORT.—Not later than one year  
14 after the date of the submission of the initial report  
15 under paragraph (1) and annually thereafter for five  
16 years, the task force shall submit to the appropriate  
17 congressional committees an annual report con-  
18 taining the findings, conclusions, and recommenda-  
19 tions of the task force.

20 (3) CONTENTS.—The reports under this sub-  
21 section shall include the following:

22 (A) An assessment at the lowest classifica-  
23 tion feasible of the sector-specific risks, trends  
24 relating to incidents impacting sectors, and tac-  
25 tics, techniques, and procedures utilized by or

1 relating to State-sponsored cyber actors, includ-  
2 ing Volt Typhoon, of the People's Republic of  
3 China.

4 (B) An assessment of additional resources  
5 and authorities needed by Federal departments  
6 and agencies to better counter the cybersecurity  
7 threat posed by State-sponsored cyber actors,  
8 including Volt Typhoon, of the People's Repub-  
9 lic of China.

10 (C) A classified assessment of the extent of  
11 potential destruction, compromise, or disruption  
12 to United States critical infrastructure by  
13 State-sponsored cyber actors, including Volt Ty-  
14 phoon, of the People's Republic of China in the  
15 event of a major crisis or future conflict be-  
16 tween the People's Republic of China and the  
17 United States.

18 (D) A classified assessment of the ability  
19 of the United States to counter the cybersecu-  
20 rity threat posed by State-sponsored cyber ac-  
21 tors, including Volt Typhoon, of the People's  
22 Republic of China in the event of a major crisis  
23 or future conflict between the People's Republic  
24 of China and the United States, including with  
25 respect to different cybersecurity measures and

1 recommendations that could mitigate such a  
2 threat.

3 (E) A classified assessment of the ability  
4 of State-sponsored cyber actors, including Volt  
5 Typhoon, of the People's Republic of China to  
6 disrupt operations of the United States Armed  
7 Forces by hindering mobility across critical in-  
8 frastructure such as rail, aviation, and ports,  
9 including how such would impair the ability of  
10 the United States Armed Forces to deploy and  
11 maneuver forces effectively.

12 (F) A classified assessment of the eco-  
13 nomic and social ramifications of a disruption  
14 to one or multiple United States critical infra-  
15 structure sectors by State-sponsored cyber ac-  
16 tors, including Volt Typhoon, of the People's  
17 Republic of China in the event of a major crisis  
18 or future conflict between the People's Republic  
19 of China and the United States.

20 (G) Such recommendations as the task  
21 force may have for the Homeland Security En-  
22 terprise, the intelligence community, or critical  
23 infrastructure owners and operators to improve  
24 the detection and mitigation of the cybersecu-  
25 rity threat posed by State-sponsored cyber ac-

1           tors, including Volt Typhoon, of the People’s  
2           Republic of China.

3           (H) A one-time plan for an awareness  
4           campaign to familiarize critical infrastructure  
5           owners and operators with security resources  
6           and support offered by Federal departments  
7           and agencies to mitigate the cybersecurity  
8           threat posed by State-sponsored cyber actors,  
9           including Volt Typhoon, of the People’s Repub-  
10          lic of China.

11          (4) BRIEFING.—Not later than 30 days after  
12          the date of the submission of each report under this  
13          subsection, the task force shall provide to the appro-  
14          priate congressional committees a classified briefing  
15          on the findings, conclusions, and recommendations  
16          of the task force.

17          (5) FORM.—Each report under this subsection  
18          shall be submitted in classified form, consistent with  
19          the protection of intelligence sources and methods,  
20          but may include an unclassified executive summary.

21          (6) PUBLICATION.—The unclassified executive  
22          summary of each report required under this sub-  
23          section shall be published on a publicly accessible  
24          website of the Department of Homeland Security.

25          (g) ACCESS TO INFORMATION.—

1           (1) IN GENERAL.—The Secretary of Homeland  
2 Security, the Director of CISA, the Attorney Gen-  
3 eral, the Director of the Federal Bureau of Inves-  
4 tigation, and the heads of appropriate Sector Risk  
5 Management Agencies, as determined by the Direc-  
6 tor of CISA, shall provide to the task force such in-  
7 formation, documents, analysis, assessments, find-  
8 ings, evaluations, inspections, audits, or reviews re-  
9 lating to efforts to counter the cybersecurity threat  
10 posed by State-sponsored cyber actors, including  
11 Volt Typhoon, of the People’s Republic of China as  
12 the task force considers necessary to carry out this  
13 section.

14           (2) RECEIPT, HANDLING, STORAGE, AND DIS-  
15 SEMINATION.—Information, documents, analysis, as-  
16 sessments, findings, evaluations, inspections, audits,  
17 and reviews described in this subsection shall be re-  
18 ceived, handled, stored, and disseminated only by  
19 members of the task force consistent with all appli-  
20 cable statutes, regulations, and Executive orders.

21           (3) SECURITY CLEARANCES FOR TASK FORCE  
22 MEMBERS.—No member of the task force may be  
23 provided with access to classified information under  
24 this section without the appropriate security clear-  
25 ances.

1           (h) TERMINATION.—The task force, and all the au-  
2 thorities of this section, shall terminate on the date that  
3 is 60 days after the final briefing required under sub-  
4 section (h)(4).

5           (i) EXEMPTION FROM FACCA.—Chapter 10 of title  
6 5, United States Code (commonly referred to as the “Fed-  
7 eral Advisory Committee Act”), shall not apply to the task  
8 force.

9           (j) EXEMPTION FROM PAPERWORK REDUCTION  
10 ACT.—Chapter 35 of title 44, United States Code (com-  
11 monly known as the “Paperwork Reduction Act”), shall  
12 not apply to the task force.

13           (k) DEFINITIONS.—In this section:

14               (1) APPROPRIATE CONGRESSIONAL COMMIT-  
15 TEES.—The term “appropriate congressional com-  
16 mittees” means—

17                       (A) the Committee on Homeland Security,  
18                       the Committee on Judiciary, and the Select  
19                       Committee on Intelligence of the House of Rep-  
20                       resentatives; and

21                       (B) the Committee on Homeland Security  
22                       and Governmental Affairs, the Committee on  
23                       Judiciary, and the Select Committee on Intel-  
24                       ligence of the Senate.

1           (2) ASSETS.—The term “assets” means a per-  
2           son, structure, facility, information, material, equip-  
3           ment, network, or process, whether physical or vir-  
4           tual, that enables an organization’s services, func-  
5           tions, or capabilities.

6           (3) CRITICAL INFRASTRUCTURE.—The term  
7           “critical infrastructure” has the meaning given such  
8           term in section 1016(e) of Public Law 107–56 (42  
9           U.S.C. 5195c(e)).

10          (4) CYBERSECURITY THREAT.—The term “cy-  
11          bersecurity threat” has the meaning given such term  
12          in section 2200 of the Homeland Security Act of  
13          2002 (6 U.S.C. 650).

14          (5) HOMELAND SECURITY ENTERPRISE.—The  
15          term “Homeland Security Enterprise” has the  
16          meaning given such term in section 2200 of the  
17          Homeland Security Act of 2002 (6 U.S.C. 650).

18          (6) INCIDENT.—The term “incident” has the  
19          meaning given such term in section 2200 of the  
20          Homeland Security Act of 2002 (6 U.S.C. 650).

21          (7) INFORMATION SHARING.—The term “infor-  
22          mation sharing” means the bidirectional sharing of  
23          timely and relevant information concerning a cyber-  
24          security threat posed by a State-sponsored cyber

1 actor of the People’s Republic of China to United  
2 States critical infrastructure.

3 (8) INTELLIGENCE COMMUNITY.—The term  
4 “intelligence community” has the meaning given  
5 such term in section 3(4) of the National Security  
6 Act of 1947 (50 U.S.C. 3003(4)).

7 (9) LOCALITY.—The term “locality” means any  
8 local government authority or agency or component  
9 thereof within a State having jurisdiction over mat-  
10 ters at a county, municipal, or other local govern-  
11 ment level.

12 (10) SECTOR.—The term “sector” means a col-  
13 lection of assets, systems, networks, entities, or or-  
14 ganizations that provide or enable a common func-  
15 tion for national security (including national defense  
16 and continuity of Government), national economic  
17 security, national public health or safety, or any  
18 combination thereof.

19 (11) SECTOR RISK MANAGEMENT AGENCY.—  
20 The term “Sector Risk Management Agency” has  
21 the meaning given such term in section 2200 of the  
22 Homeland Security Act of 2002 (6 U.S.C. 650).

23 (12) STATE.—The term “State” means any  
24 State of the United States, the District of Columbia,  
25 the Commonwealth of Puerto Rico, the Northern

1 Mariana Islands, the United States Virgin Islands,  
2 Guam, American Samoa, and any other territory or  
3 possession of the United States.

4 (13) SYSTEMS.—The term “systems” means a  
5 combination of personnel, structures, facilities, infor-  
6 mation, materials, equipment, networks, or proc-  
7 esses, whether physical or virtual, integrated or  
8 interconnected for a specific purpose that enables an  
9 organization’s services, functions, or capabilities.

10 (14) UNITED STATES.—The term “United  
11 States”, when used in a geographic sense, means  
12 any State of the United States.

13 (15) VOLT TYPHOON.—The term “Volt Ty-  
14 phoon” means the People’s Republic of China State-  
15 sponsored cyber actor described in the Cybersecurity  
16 and Infrastructure Security Agency cybersecurity  
17 advisory entitled “PRC State-Sponsored Actors  
18 Compromise and Maintain Persistent Access to U.S.  
19 Critical Infrastructure”, issued on February 07,  
20 2024, or any successor advisory.
