1 tion referred to as the “Administrator”) may establish a  
2 pilot program at airports to expedite access to security  
3 screening for traveling active-duty military personnel and  
4 accompanying family members to support and facilitate  
5 the ease of travel for such personnel and family members.  
6 The Administrator may carry out this subsection only to  
7 the extent such access does not compromise security proto-  
8 cols.

9 (b) SECURITY REQUIREMENTS.—In carrying out sub-  
10 section (a), the Administrator shall carry out the fol-  
11 lowing:

12 (1) Ensure each passenger described in such  
13 subsection is screened in accordance with the vetting  
14 status of such passenger under the Secure Flight

16 tion’s Secure Flight program, in accordance with  
17 paragraph (2) of section 44903(j) of title 49, United

23 has received a boarding pass indicating eligibility for  
24 TSA PreCheck or such other expedited security  
25 screening.

1           (3) Permit local Administration management to  
2           open or close checkpoint lanes and reallocate avail-  
3           able resources as needed to maximize security effec-  
4           tiveness and efficiency based on passenger volume.

5           (c) SELECTION OF AIRPORTS.—If the Administrator  
6           establishes the pilot program under subsection (a), in se-  
7           lecting airports for such pilot program, the Administrator  
8           shall—

9           (1) give priority to an airport that is not more  
10          than a certain distance, as determined by the Ad-  
11          ministrator, from a military installation (as such  
12          term is defined in section 2801 of title 10, United  
13          States Code) to which not fewer than a certain num-  
14          ber, as determined by the Administrator, of active-  
15          duty military personnel are stationed;

16          (2) consider airports with adequate space to ac-  
17          commodate dedicated screening lanes for traveling  
18          active-duty military personnel and accompanying  
19          family members; and

20          (3) use any other consideration the Adminis-  
21          trator determines necessary.

22          (d) BRIEFING.—If the Administrator establishes the  
23          pilot program under subsection (a), not later than nine  
24          months after such establishment, the Administrator shall  
25          provide to the Committee on Homeland Security of the
