1 **SEC. 106. SENSE OF CONGRESS ON COSMETICS LEGISLA-**  
2 **TION.**

3 (a) FINDINGS.—The Congress finds as follows:

4 (1) The laws in place as of the date of enact-  
5 ment of this Act that regulate cosmetics sold in the  
6 United States are the same ones enacted in the  
7 original Federal Food, Drug, and Cosmetic Act, en-  
8 acted on June 25, 1938.

9 (2) While all other product categories regulated  
10 by the Food and Drug Administration have been up-  
11 dated to keep pace with innovation and consumer ex-  
12 pectations, the laws for cosmetics have been left un-  
13 touched for nearly 80 years.

14 (b) SENSE OF CONGRESS.—The Congress commits to  
15 enacting legislative changes that will improve oversight  
16 over cosmetics and personal care products to ensure their  
17 safe use for consumers and provide the Food and Drug  
18 Administration with additional authority and resources,  
19 while also encouraging innovation in the cosmetic indus-  
20 try.

1 (c) LEGISLATIVE CHANGES FURTHER DESCRIBED.—

2 The legislative changes referred to in paragraph (1)  
3 should—

4 (1) provide the Food and Drug Administration  
5 with greater information regarding cosmetic manu-  
6 facturers;

7 (2) require that the safety of cosmetic products  
8 can be verified;

9 (3) offer guidance on how cosmetics and per-  
10 sonal care products should be safely manufactured;

11 (4) require timely reporting of serious adverse  
12 events to the Food and Drug Administration; and

13 (5) provide the Food and Drug Administration  
14 with the necessary resources to review cosmetic in-  
15 gredients, increase staff capacity, and improve over-  
16 sight over cosmetic imports.
