¹ Rep. Welch (D-VT) advised Chairman Pallone and Ranking Member Walden by letter that, in addition to his being a Committee on Energy and Commerce member, he also serves on the House Permanent Select Committee on Intelligence (HPSCI), which is currently conducting an ongoing inquiry into whether President Trump should be impeached. Due to the significance and gravity of this inquiry, his full participation is essential at the HPSCI hearings, which conflicts with the Committee on Energy and Commerce markup on November 19 and 20, 2019, thereby resulting in his absence and missed votes during this Committee markup.
