

AMENDMENT TO SUBTITLE A
OFFERED BY M .

At the end of subtitle A, add the following:

1 SEC. 30115. LIMITATION.

2 No electric vehicle charging technology deployed or
3 built using funding made available under this subtitle shall
4 be operated using funding generated from the sale of elec-
5 tricity—

6 (1) by an electric power utility;

7 (2) through a regulated distribution system
8 (owned or operated, directly or indirectly, by such
9 utility); and

10 (3) where any cost, fee, or charge made by such
11 utility operating the vehicle charging technology per-
12 mits the utility to shift costs of its operations to
13 electric consumers that do not use the technology.
