8           **SILIENCE.**

9           (a) APPROPRIATION.—In addition to amounts other-  
10 wise made available, there is appropriated to the Depart-  
11 ment of Commerce for fiscal years 2022 through 2026,  
12 out of any money in the Treasury not otherwise appro-  
13 priated, \$10,000,000,000, to remain available until ex-  
14 pended, except that no amounts may be expended after  
15 September 30, 2031, to support the resilience, diversity,  
16 security, and strength of critical manufacturing supply  
17 chains affecting interstate commerce and related adminis-  
18 trative costs.

1 (b) PURPOSES.—The amount under subsection (a)  
2 shall be available to the Secretary of Commerce for—

3 (1) critical manufacturing supply chain map-  
4 ping and monitoring, which may include grants and  
5 other financial assistance as appropriate for private  
6 and public sector-led mapping, monitoring, and fore-  
7 casting;

8 (2) facilitating and supporting the establish-  
9 ment of voluntary standards, guidelines, and best  
10 practices to reduce risks to the resilience, diversity,  
11 security, and strength of critical manufacturing sup-  
12 ply chains;

13 (3) identifying, accelerating, promoting, and  
14 demonstrating technological advances for critical  
15 manufacturing supply chains; and

16 (4) providing grants and other financial assist-  
17 ance as appropriate that support the resilience, di-  
18 versity, security, or strength of a critical manufac-  
19 turing supply chain to eligible entities for activities  
20 that may include enhancements to a domestic manu-  
21 facturing facility, process, or practice, the preserva-  
22 tion of surge capacity, the provision of goods, or  
23 other activities at the determination of the Sec-  
24 retary.

1           (c) LIMITATION.—Of the amounts made available  
2 under subsection (a), no more than 3 percent may be used  
3 for related administrative expenses.

4           (d) ELIGIBLE ENTITY DEFINED.—The term “eligible  
5 entity” means—

6                 (1) a domestic enterprise;

7                 (2) a domestic manufacturer;

8                 (3) a State, local, or Tribal government entity;

9                 (4) a domestic regional technology and manu-  
10 facturing hub;

11                (5) a domestic institution of higher education;

12                (6) a domestic public or private nonprofit orga-  
13 nization or association; or

14                (7) a consortium of any of the entities described  
15 in paragraphs (1) through (6).
