H. R. 11

To provide for the development and dissemination of evidence-based best practices for health care professionals to recognize victims of a severe form of trafficking and respond to such individuals appropriately, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

Mrs. Ellmers introduced the following bill; which was referred to the Committee on ______________________

A BILL

To provide for the development and dissemination of evidence-based best practices for health care professionals to recognize victims of a severe form of trafficking and respond to such individuals appropriately, and for other purposes.

1 Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

2 SECTION 1. SHORT TITLE.

3 This Act may be cited as the “Trafficking Awareness Training for Health Care Act of 2014”.

(Original Signature of Member)
SEC. 2. DEVELOPMENT OF BEST PRACTICES.

(a) GRANT FOR DEVELOPMENT OF BEST PRACTICES.—Not later than 1 year after the date of enactment of this Act, the Secretary of Health and Human Services, acting through the Administrator of the Agency for Healthcare Research and Quality, shall award, on a competitive basis, a grant to an eligible school under which such school will—

(1) not later than 6 months after receipt of the award, develop best practices for health care professionals—

(A) to recognize victims of a severe form of trafficking; and

(B) to respond appropriately to such individuals; and

(2) in developing best practices under paragraph (1), survey, analyze, and evaluate existing best practices that foster the practice of interprofessional collaboration, including those used by industries other than the health care industry, to determine the extent to which such existing best practices may be adapted for use as part of the best practices under paragraph (1).

(3) develop curricula, training modules, or materials to train health care professionals on the best practices developed under paragraph (1);
(4) not later than 12 months after the receipt of the award, make a subgrant to one entity in each of the 10 administrative regions of the Department of Health and Human Services—

(A) to design, implement, and evaluate a pilot program using the best practices developed under paragraph (1) and the curricula, training modules, or materials developed under paragraph (3);

(B) to conduct the pilot program at one or more eligible sites within the respective region, which may include an eligible site that is a school-based health center; and

(C) to complete the implementation and evaluation of such pilot program with a period of 6 months;

(5) not later than 24 months after the receipt of the award, analyze the results of the pilot programs conducted through subgrants under paragraph (4), including analyzing—

(A) changes in the acquired skills, knowledge, and attitude of health care professionals resulting from the implementation of the programs;
(B) the number of victims of a severe form of trafficking who are recognized under the programs;

(C) of those recognized, the number who received information or referrals for services offered through the programs; and

(D) of those who received such information or referrals—

(i) the number who participated in followup services; and

(ii) the type of followup services received;

(6) determine, using the results of the analysis under paragraph (5), the extent to which the best practices developed under paragraph (1) are evidence-based; and

(7) submit a comprehensive assessment of the pilot programs conducted through subgrants under paragraph (4) to the Secretary of Health and Human Services, including an identification of—

(A) the best practices that are determined pursuant to paragraph (6) to be evidence-based; and

(B) the best practices that are determined pursuant to such paragraph to require further
review in order to determine whether they are
evidence-based.

(b) CONTENTS.—The best practices developed
through the grant awarded under subsection (a)—

(1) shall address—

(A) indicators to recognize victims of a se-
vere form of trafficking;

(B) application of Federal and State law
with respect to victims of a severe form of traf-
ficking;

(C) patient safety and security, including
the requirements of HIPAA privacy and secu-
rizy law as applied to victims of a severe form
of trafficking;

(D) the management of medical records of
patients who are victims of a severe form of
trafficking;

(E) public and private social services avail-
able for rescue, food, clothing, and shelter refer-
rals;

(F) the hotlines for reporting human traf-
ficking maintained by the National Human
Trafficking Resource Center and the Depart-
ment of Homeland Security; and
(G) assessment tools for the identification
of victims of a severe form of trafficking; and
(2) shall not address patient medical treatment.

(c) DISSEMINATION.—Not later than 24 months after
the award of a grant to a school under subsection (a),
the Secretary of Health and Human Services, acting
through the Administrator of the Agency for Healthcare
Research and Quality, shall—

(1) post on the public website of the Depart-
ment of Health and Human Services the best prac-
tices that are identified by the school under subpara-
graphs (A) and (B) of subsection (a)(7); and

(2) disseminate to health care profession
schools the best practices identified by the school
under subsection (a)(7)(A) and evaluation results.

SEC. 3. DEFINITIONS.

In this Act:

(1) The term “health care professional” means
a person employed by a health care provider who
