

CURRICULUM VITAE

Iris G. Udasin, MD

OFFICE ADDRESS AND CURRENT POSITION:

Professor, Department of Environmental and Occupational Medicine
Director, Environmental and Occupational Health Sciences Institute (EOHSI)
Clinical Center
Director, Employee Health Services
Rutgers Robert Wood Johnson Medical School
Principal Investigator, World Trade Center Medical Monitoring Program

MAILING ADDRESS:

Environmental and Occupational Health Sciences Institute
170 Frelinghuysen Road
Piscataway, NJ 08854-1179
Ph: (848) 445-6016 Fax: (732) 445-0127
udasin@eohsi.rutgers.edu

EDUCATION:

1978 B.S., State University of New York at Stony Brook
1982 M.D., State University of New York, Downstate Medical Center

POST GRAD TRAINING:

1982-1985 Department of Medicine, UMDNJ - Robert Wood Johnson Medical School,
New Brunswick, NJ
Internship and Residency in Internal Medicine
1986 UMDNJ-Robert Wood Johnson Medical School, Piscataway, NJ
Mini-Residency Program in Occupational Medicine
2007 Professional Development Seminar for Mid-Career Women, American
Association of Medical Colleges, Phoenix, AZ

ACADEMIC APPOINTMENTS:

1985-1986 Staff Physician, Occupational Medicine UMDNJ-Robert
Wood Johnson Medical School, New Brunswick, NJ 1984-1986
Clinical Instructor of Medicine, UMDNJ-Robert Wood
Johnson Medical School, New Brunswick, NJ
1986-1994 Clinical Assistant Professor, Department of Environmental and
Community Medicine, UMDNJ-Robert Wood Johnson
Medical School, Piscataway, NJ
1994-2009 Associate Professor, Department of Environmental and Occupational
Medicine, UMDNJ-Robert Wood Johnson Medical School, Piscataway, NJ
2001-Present Associate Professor, Department of Environmental and Occupational
Health, UMDNJ-School of Public Health, Piscataway, NJ
2009-Present Professor, Department of Environmental and Occupational Medicine
UMDNJ-RWJMS, Piscataway, NJ

HOSPITAL APPOINTMENTS:

1996-Present Attending Physician–Robert Wood Johnson University Hospital, New Brunswick, NJ
1996-Present Member, Robert Wood Johnson University Hospital Infection Control Committee

LICENSURE:

1983 New Jersey

BOARD CERTIFICATION:

1986 Diplomate, American Board of Internal Medicine
1993 Diplomate, American Board of Preventive Medicine (Occupational)

PROFESSIONAL ORGANIZATIONS:

Board Member, Association of Occupational and Environmental Clinics, 2005-2011
Fellow, American College of Occupational and Environmental Medicine
Member, American Public Health Association
Member, American College of Physicians
Member, American Medical Association

HONORS AND AWARDS:

1978 Phi Beta Kappa
1993 Fellowship, American College of Occupational and Environmental Medicine

EDITORIAL POSITIONS:

Reviewer, American Journal of Industrial Medicine, 2005-Present
Reviewer, Medical Education Portal, AAMC, 2004-Present
Reviewer, Journal of Medical Decision Making, 2003

SERVICE ON NATIONAL COMMITTEES:

Elected Board Member, Association of Occupational Environmental Clinics (AOEC), 2005-2011
Member, World Trade Center Steering Committee, 2004-Present
Member, World Trade Center Upper Respiratory Committee, 2004-Present
Member, World Trade Center Lower Respiratory Committee, 2004-Present
Member, World Trade Center Population Protection Committee, 2004-2006
Member, World Trade Center Late Emergent Diseases Committee, 2006-Present
Member, World Trade Center Research Oversight Committee, 2006-Present
Member, World Trade Center Data Sharing Committee, 2008-Present
Member, National Toxicology Panel, 2012-Present

SERVICE ON UMDNJ COMMITTEES:

Chairperson, Working Group on Violence in the Workplace, Violence Institute, 1998-1991
Member, Environment of Care Committee, University Behavioral Health Center, 1996-Present

Member, Bioterrorism Curriculum Work Group, 2001-2003
Member, Avian Flu and Seasonal Influenza Preparedness Committee, 2005-Present

SERVICE ON ROBERT WOOD JOHNSON MEDICAL SCHOOL COMMITTEES:

Member, Robert Wood Johnson Medical School Environment of Care, 1996-2002
Member, Robert Wood Johnson Medical School Laboratory Safety Committee, 1998-Present
Member, Robert Wood Johnson Medical School Bio- Safety Committee, 2001-Present
Member, Robert Wood Johnson Medical School Curriculum Committee, 2002-2008
Member, Robert Wood Johnson Medical School Review Committee for Community Health, 2003-2004
Member, Robert Wood Johnson Medical School Information Systems Committee, 2000-2003, 2006-Present
Member, Robert Wood Johnson Medical School Compliance Committee, 2007-Present

SERVICE ON ROBERT WOOD JOHNSON UNIVERSITY HOSPITAL COMMITTEES:

Member, Robert Wood Johnson University Hospital Infection Control Committee, 1996-Present

SERVICE ON STATE OF NEW JERSEY COMMITTEES:

Member, NJ Department of Health and Senior Services, Latex Allergy Task Force – Appointed by Governor Christine Todd Whitman, 1998-2000
Member, Noise Control Council –Appointed by Acting Governor Donald T. DiFrancesco, Office of the Governor, 2005-Present
Member, NJ State Safe Schools Task Force, 2000-Present
Member, NJ Department of Health and Senior Services, Occupational Health Surveillance Advisory Board, 2000-Present
Member, NJ Department of Health and Senior Services, Physician and Nurse Outreach Advisory Group, 2000-Present

SERVICE TO THE COMMUNITY:

Volunteer Physician, New Jersey Youth Services, 2004-Present
Participant and Sponsor, HIPHOP Annual 5K Run, 2005-Present
Advisor, New Jersey Urban Search and Rescue Team, 2005-Present
Volunteer and Preceptor, Elijah’s Promise Clinic, New Brunswick, NJ, 2006-Present
Exposures and Health Effects; Hurricane Katrina Health Effects, 2006-Present
Advisor, NJ Firefighters Mutual Benevolent Association: World Trade Center Exposures and Health Effects, 2006-Present
Advisor, NJ Urban Search and Rescue Team: World Trade Center Exposures and Health Effects, Hurricane Katrina Health Effects, 2006-Present

SPONSORSHIP OF MEDICAL STUDENTS:

Mentor and advisor, Danielle Perret, 2002-2003
Mentor, Andrew Orr, Medical Student Research “Cancer in World Trade Center Responders”, 2010-2011
Mentor, Lincoln Smith, Staph Aureus and health Care Workers, 2013

SPONSORSHIP OF POST-DOCTORAL FELLOWSHIP:

Vic Poiliti, MD –“*Worker Health and Safety for Employees of Health Maintenance Organization*”, 1997
Shaundree Fertibee, MPH – “*Ergonomic Assessment of Animal Care Takers*”, 2003
Howard Lu, MD, MPH – “*Symptomatic Improvement after Cessation of Mold Exposure: Clinical Experience in Environmental and Occupational Health*”, 2003
Angela Gupta, MD, MPH –“*Needs Assessment and Curriculum Development for Preparedness Training for Emergency Physicians*”, 2004
Michelle Robertson, MD, MPH– “*Analysis of Consequence of Thorium Exposure in Maywood, NJ*”, 2006
Siddiq Faisal, MD –“*Evaluation of Infection Control Policy In US Hospitals with Attention TB and MRSA*”, 2008
Francine Katz, DO, MPH - “*Blood and Body Fluids Exposure at Robert Wood Johnson Medical School Over the Past Decade*”, 2010
Timmy Thomas, M.D, - “*Evaluating the effectiveness of physical therapy for low back sprain/strain by return to work in days at an Occupational Medicine Clinic in Neptune, NJ*”, 2013-2014

TEACHING:

Medical Students:

Course Director, Environmental & Community Medicine II, 2002- Present
One on one mentor of medical students as part of elective rotations at EOHSI Clinical Center, 1994-Present
Faculty, Environmental & Community Medicine II, 1998-2002
Faculty, Environmental & Community Medicine I, 1998-2007
Faculty, Introduction to the Clinical Experience, Office of Education, 2000-Present
Faculty - Case Based Learning, 2000-2005
Volunteer faculty, Elijah’s Promise Medical Student Clinic for indigent patients, 2006-Present

Resident / Fellow / MPH Students:

One-on-one clinical supervision of Residents at EOHSI Clinical Center, 1990-Present
Faculty, Advanced Principles of Occupational Health, UMDNJ-SPH, 1992-Present
Faculty, UMDNJ-RWJMS, Incoming Resident Training Course, 1998-Present
Faculty, Historical Perspectives in Occupational Health, UMDNJ- SPH, 2006-Present

Community:

Instructor, Hazardous Waste Worker Training, UMDNJ-SPH, 1990-Present
Instructor – NJ Education Association Health and Safety in Schools, 2005-2007
Presenter, NJ Physician Assistant Association: Occupational Asthma, 2006.
Advisor, NJ Police Benevolent Association and NJ State Police: World Trade Center

CLINICAL RESPONSIBILITIES:

Director, Environmental & Occupational Health Sciences Institute Clinical Center, 2006-Present.

Principal Investigator and Treating Physician, World Trade Center Medical Monitoring and Treatment Program, 2004-Present

Director, Employee Health Services, Robert Wood Johnson Medical School, Piscataway, NJ, 1996-Present

Development of Protocol for Zoonotic Illnesses and Laboratory Animal Allergy, 1990.

Development of Protocol for Management of Occupational Exposures to HIV, HBV, and HCV, 1996.

Development of Protocol for Safe Use of Vaccinia in Research and Clinical Settings, Cancer Institute of NJ, 1999.

Development of Protocol for Safe Use of Fowl Pox in Research and Clinical Settings, Cancer Institute of NJ, 2002.

Development of Protocol for Safe Use of Lentivirus and Adenovirus Vectors for Laboratory Use, Cancer Institute of NJ; 2003

Development of Protocol for Safe Use of MPTP for Laboratory Use and Animal Care Facility, 2006.

Director, Medical Surveillance for Hazardous Waste Workers, 1986-Present

Clinical evaluation of persons exposed to workplace and community chemical hazards, Clinical Center, Environmental & Occupational Health Sciences Institute, 1986-Present

Occupational Medicine Consultant, New Jersey Department of Health and Senior Services, 1987-Present

Occupational Medicine Consultant, Meril Pharmaceutical Research and Development, North Brunswick, NJ, 2001-Present

Occupational Medicine Consultant, University of Pennsylvania, Philadelphia, PA, 2004-2006

Occupational Medicine Consultant, Aventis Pasteur, 2002-Present

GRANT SUPPORT HISTORY:

Principal Investigator, The Use of Health Care Worker Training to Reduce Patient Related Violence in the Work Place (UMDNJ-School of Public Health, 1999-2001).

A Longitudinal Study of Influenza Vaccine Decisions, Agency for Healthcare Research Quality (1RO1 HS10224-01A2, March 1, 2001-August 31, 2004, \$797,113.00). Gretchen Chapman, PI, Udasin, I., Co-Investigator

Principal Investigator, Enhanced Surveillance and Treatment Program to Reduce Health Impacts of World Trade Center Responders, American Red Cross - (Grant #20050242- Two (2) year grant for July 1, 2005 thru June 30, 2007, \$210,424.00).

Principal Investigator, Clinical Center for Monitoring Health in World Trade Center Responders (U10 OH008239-01, CDC NIOSH- (Five (5) year grant for July 1, 2004 thru June 30, 2009) \$3,061,432.00.

Principal Investigator, Clinical Center for Monitoring Health in World Trade Center Responders (U10OH008239-05W, CDC NIOSH- (Five (5) year grant for July 1, 2009 thru June 30, 2010) \$575,000.00.

Principal Investigator, Clinical Center of Excellence (CCE) for World Trade Center Responders, CDC (Five (5) year award, July 1, 2011 thru June 30, 2016) * Original award: \$3,882,489.00, Incremental award as of 7/2015: \$5,912,659.59.

Principal Investigator, Obstructive Sleep Apnea in WTC Responders: Role of Nasal Pathology (Grant #1U01OH010415-01, Four year grant, September 1, 2012 through August 31, 2016 for \$3,999,314). Co-investigators, Jag Sunderram, MD and Indu Ayappa, PhD.
