

Committee on Energy and Commerce
U.S. House of Representatives
Witness Disclosure Requirement - "Truth in Testimony"
Required by House Rule XI, Clause 2(g)(5)

1. Your Name: Lisa G. Bardach MS CCC-SLP		
2. Your Title: Speech-Language Pathologist		
3. The Entity(ies) You are Representing: Communicating Solutions, LLC; ALS of Michigan; Team Gleason		
4. Are you testifying on behalf of the Federal, or a State or local government entity?	Yes	No x
5. Please list any Federal grants or contracts, or contracts or payments originating with a foreign government, that you or the entity(ies) you represent have received on or after January 1, 2015. Only grants, contracts, or payments related to the subject matter of the hearing must be listed.		
6. Please attach your curriculum vitae to your completed disclosure form.		

Signature: 

Date: 07-17-17

LISA G. BARDACH, MS, CCC-SLP

EDUCATION

M.S. Communicative Disorders, University of Wisconsin-Madison, May, 1990

Thesis Title: A Translation of the Revised Token Test into Hebrew. Mentor: Malcolm R. McNeil, Ph.D. Professor of Communicative Disorders, University of Wisconsin-Madison.

B.A. Speech-Language Pathology and Near Eastern Studies, University of Michigan, May 1987

Hebrew University, Jerusalem, Israel 1983-1984

PROFESSIONAL EXPERIENCE

President and CEO: Communicating Solutions, LLC, Ann Arbor, MI 48104

June 1999 – present

- Provide services to adults and children in the areas of Augmentative Communication evaluation and training, speech-language evaluation and treatment, cognitive rehabilitation, IEP planning, and technology integration.
- Provide lectures, in-services and community education to a variety of facilities regarding issues pertinent to Augmentative and Alternative Communication, Assistive Technology, Neurogenic Rehabilitation, and Cognitive Rehabilitation.

Adjunct Instructor: University at Buffalo, The State University of New York. Buffalo, NY.

November 2005-present

Speech-Language Pathologist: ALS of Michigan, Southfield, MI 48076

July 2000 – present

- Develop and run AAC clinic to assist patients with ALS to be evaluated for Speech Generating Devices (January 2003)
- Evaluate patients in need of Speech Generating Devices; recommend devices and facilitate acquisition; train patients in device use; provide frequent lectures on communication options for pALS at regional conferences.

Reviewer: *Physical Medicine and Rehabilitation*, Official Journal of the American Academy of Physical Medicine and Rehabilitation. Elsevier, Amsterdam.

December 2011 – present

Consultant: Rehab Dynamics, Inc, Toledo, OH 43612

December 1999 – December 2005

- Evaluate and treat pediatric clients in need of augmentative communication and assistive technology.

- Train families in techniques to facilitate augmentative communication and switch usage.
- Assist families in developing therapeutic intervention plans, including attending IEPs and assisting school personnel in integrating augmentative communication techniques and devices into the classroom.

Senior Speech-Language Pathologist: Rehabilitation Institute of Michigan (RIM), Detroit, MI
May 1995 – February 2001

Campus Ambulatory Services:

- Evaluated and treated patients with communication disorders secondary to various neurological conditions in outpatient and inpatient units.
- Oversaw outpatient evaluation and treatment documentation, requests, and appeals for speech-language services.
- Supervised students, clinical fellows, and staff; mentored speech-language pathology department staff.
- Developed policy and procedures as necessary to ensure the provision of quality services in the area of Speech-Language Pathology.
- Provided in-services on various topics relevant to the clinical team and other professionals within the Detroit Medical Center.
- Served as the AAC consultant throughout the Detroit Medical Center’s seven hospitals and its multiple clinics, satellites, and skilled nursing facilities.

Assistive Technology Program: (May 1995 - February 1999)

- Created a program in evaluation and training for patients in need of AAC.
- Evaluated patients in need of augmentative communication, computer access and other assistive technology services and recommended appropriate equipment.
- Trained patients, family, and caregivers on the use, programming and maintenance of the recommended equipment.
- Developed and customized communication devices and systems.
- Functioned as part of a multi-disciplinary assistive technology team including professionals from the disciplines of Speech-Language Pathology, Rehabilitation Engineering, and Occupational Therapy.
- Provided in-services and informational programs for staff and funding and referral sources.
- Highly successful in working with third-party payers, including Medicaid, Blue Cross/Blue Shield, various HMOs, and Vocational Rehabilitation, to achieve funding for AT equipment.
- Served as the AAC consultant throughout the Detroit Medical Center’s seven hospitals and its multiple clinics, satellites, and skilled nursing facilities.

Part-time Faculty: Wayne County Community College, Detroit, MI
May 1997 - December 1997

Instructor for “OTA 270: Assistive Technology”, Summer and Fall Semesters, 1997.

- Developed lectures, workshops, and tests on a variety of subjects, including AAC, computer access, enabling switches, sensory impairments, and environmental control.

Professional Experience

(continued)

Speech-Language Pathologist: Communicative Disorders Clinic, University of Michigan, Ann Arbor, MI

July, 1990 - April, 1995

- Diagnosed speech/language and cognitive disorders; designed and implemented treatment programs for residential aphasia clients.
- Developed AAC systems for clients.
- Counseled clients and family members concerning problems associated with aphasia.
- Developed, organized, and coordinated a computer laboratory for use in treatment with all patients.
- Designed and implemented an annual 3-day seminar for adults with aphasia and their support networks.
- Developed and implemented an ongoing aphasia support group.
- Participated in research activities.
- Completed Clinical Fellowship

SCIENTIFIC ACTIVITIES

Grant Activities:

Train the Trainers. Michigan Disability Rights Coalition, 2008-9. This project provided multiple train the trainer workshops on using Assistive Technology for communication issues related to health, safety, education and empowerment, with instruction on communication strategies for catching someone's attention, remembering important information, and getting needs met using Assistive Technology for reading, writing, speaking, listening, and thinking. Role: Paid Instructor.

H133E080011 DeRuyter (PI/Duke), Higginbotham (Co-PI) 10/01/08-10/01/2011

NIDRR: Rehab. Engineering Research Center on Com. Enhancement II

This project supports research in communication enhancement using augmentative/alternative communication. Role: Paid consultant

Creating a Regional Center to Provide Augmentative Communication Services to Patients with ALS. (with ALS of Michigan). MetroHealth and the Jewish Fund, 2003. Funds received to purchase equipment for the Center. Role: PI

Promoting Excellence in End-of-Life Care. (with the ALS Association). The Robert Wood Johnson Foundation, 2002. Role: Consultant

Computer Voice Recognition and Individuals with Dysarthria: Can a Speech Enhancer Help? Del Harder Rehabilitation Fund/United Way Research Fund, 1998. Role: PI

Selected Posters and Presentations

Bardach, L. Data-Driven Evals for pALS. Invited presentation, ALS, Communication & All That Jazz, New Orleans LA, June 2017.

Bardach, L, & Ourand, P. Eyes on Eye Gaze: Tips, Tricks and Hands-On. Invited Workshop, Texas Assistive Technology Network Region 4 Annual Conference, Houston TX, June 2017.

Bardach, L. The Eyes Have It: Eye Gaze Communication for Adults. Invited presentation, ASHA's Schools Connect, Health Care Connect and Private Practice Connect Conferences, New Orleans LA, July 2017.

Bardach, L. Clinical Applications for Eye Gaze Technology. Invited presentation, ASHA's Schools Connect, Health Care Connect and Private Practice Connect Conferences, New Orleans LA, July 2017.

Bardach, L. Data-Driven Evaluations for Eye Gaze SGDs. Assistive Technology Industry Association Annual Conference, Orlando FL, January 2017.

Bardach, L and Goldman, A. Funding, Coding, and Documentation for Speech Generating Devices. Invited Webinar, American Speech-Language-Hearing Association, October 2016.

Bardach, L. Eye Gaze Technology for pALS. ALS of Michigan, Southfield MI, August 2016.

Ourand, P, & Bardach, L. Eye Gaze: Nuts and Bolts. Invited Workshop, Texas Assistive Technology Network Region 4 Annual Conference, Houston TX, June 2016, June 2017.

Ourand, P, & Bardach, L. Eye Gaze: Education Through Vocation. Invited Workshop, Texas Assistive Technology Network Region 4 Annual Conference, Houston TX, June 2016.

Bardach, L. Update on Funding Policies and Implementation for Speech Generating Devices. Assistive Technology Industry Association Annual Conference, Orlando FL, February 2016.

Bardach, L. Yes Eye Can: A Comparison of Eye Gaze SGDs. Assistive Technology Industry Association Annual Conference, Orlando FL, February 2016.

Bardach, L. Eye Gaze: The Game-Changer for Access to Communication. American Speech-Language-Hearing Association Annual Conference, Denver, CO, November 2015.

Blackstone, S, Yorkston, K, Beukelman, D, Bardach, L, Costello, J, & Hurtig, R. Providing Communication Access Across Medical Settings: A Fundamental Role for AAC. International Society for Augmentative and Alternative Communication Biennial Conference, Toronto ON, August 2016; American Speech-Language-Hearing Association Annual Conference, Denver, CO, November 2015.

Ourand, P, Bardach, L. Eye Gaze: It's a Game Changer, Except This Isn't a Game. Invited Pre-Conference Workshop, Assistive Technology Industry Association Annual Conference, Orlando FL, January 2015.

Bardach, LG, Mundt, JA, Lawson, V. So You Want To Talk? AAC for Individuals with TBI. Brain Injury Association of Michigan Annual Conference, Lansing MI, September 2013.

Bardach, LG, Nizio, P. Mobile Technology in Healthcare. Invited Workshop, Michigan Speech-Language-Hearing Association, November 2012.

Bardach, LG. iPads for pALS. ALS of Michigan, Southfield MI, October 2013, September 2012.

Bardach, LG. Yes Eye Can: A Comparison of pALS using Eye Gaze SGDs. International Society for Augmentative and Alternative Communication Biennial Conference, Pittsburgh PA, August 2012.

Bardach, LG, McBride, DL. Simplifying AAC Evals: Tools and Resources. International Society for Augmentative and Alternative Communication Biennial Conference, Pittsburgh PA, August 2012.

Bardach, LG. Going Mobile! Invited presentation, Michigan Speech-Language-Hearing Association Annual Conference, Kalamazoo MI, March 2012.

Stevens, L, Bardach, LG, Cummings, M, Bennet, J, and Gustin, K. Academic Service Learning: Unique Perspectives from Students, Community Partners, & Faculty. International Society for Augmentative and Alternative Communication Biennial Conference, Pittsburgh PA, August 2012; American Speech-Language-Hearing Association Annual Conference, San Diego CA, November 2011.

Bardach, LG, McBride, DL. Augmentative Communication Evaluations Simplified: ACES Tools and Resources. Invited workshop, Loyola University Maryland, Columbia MD, November 7-8, 2011.

Bardach, LG. Using Assistive Technology to Improve Communication. Invited workshop, Michigan Disability Rights Coalition, Southfield MI, January 2012; Marquette MI, October 2011.

Bardach, LG. ALS in the Upper Peninsula. ALS of Michigan, Marquette MI, October 2011.

Bardach, LG. Low Tech Communication Options. Invited presentation, Angela Hospice, Livonia MI, June 2011.

Bardach, LG. Augmentative Communication: Five Things You Need to Know. Invited presentation, Detroit Medical Center Rehabilitation Institute of Michigan Spring Symposium, Detroit MI, May 2011.

Bardach, LG. *AAC for Dysarthria and Aphasia.* Invited presentation, Michigan Speech-Language-Hearing Association Annual Conference, Dearborn MI, March 2011

Bardach, LG. *Simplifying AAC.* Invited presentation, Michigan Speech-Language-Hearing Association Annual Conference, Dearborn MI, March 2011

Bardach, LG, McBride, DL. *Augmentative Communication Simplified: Tools and Resources.* California State University at Northridge: Technology and Persons with Disabilities Annual Conference, San Diego, CA, March 2010

Bardach, LG. *Communication Options for Persons with Amyotrophic Lateral Sclerosis (PALS).* ALS of Michigan Respite Care Agency Conference, Wixom MI, April 2013; Midland MI August 2013; Flint MI, July 2012; Northville MI, April 2012; Lansing MI, October 2012, September 2011; Bay City MI, August 2011; Wixom MI, July 2010

Bardach, LG. *Using Assistive Technology to Improve Communication: iPod Training.* Invited workshop, Michigan Disability Rights Coalition, Detroit MI August 2010

Bardach, LG, McBride, DL. *AAC Evals: Tips and Toolkits.* Assistive Technology Industry Association Annual Conference, Orlando FL, January 2011, Chicago IL, October 2010.

Bardach, LG, McBride, DL. *Barriers to Acquiring AAC Devices: Solutions Revealed.* Assistive Technology Industry Association Annual Conference, Orlando FL, January 2011; Chicago IL, October 2010.

Bardach, LG. *Augmentative Communication for Stroke-Related Aphasia and Dysarthria.* Invited presentation, Henry Ford Hospital 2nd Stroke Symposium, Dearborn MI, December 2009.

Bardach, LG. *Alternative Access to SGDs.* Assistive Technology Industry Association Annual Conference, Orlando FL, January 2009.

Bardach, LG, McAdam, MC. *Using Assistive Technology To Improve Communication.* Invited workshop, Michigan Disability Rights Coalition, Detroit MI May 2010, April 2009, November 2008, October 2008, September 2008, August 2008.

Bardach, LG. *Augmentative Communication Evaluations Simplified.* Invited workshop, The University at Buffalo, Center for Excellence in Augmented Communication, Buffalo NY, November 3-4, 2008

Bardach, LG, McBride, DL. *Simplifying AAC Evaluations using a Toolkit Approach.* California State University at Northridge: Technology and Persons with Disabilities Annual Conference, Los Angeles, CA, March 2008; Closing the Gap, Minneapolis, MN October 2008; Assistive Technology Industry Association Annual Conference, Orlando, FL, January 2009.

Bardach, LG. *Assistive Technology Boot Camp.* Invited Workshop, United Cerebral Palsy, Southfield MI, April 2008, August 2006.

Bardach, LG. *Regional AAC Centers: A Model for ALS Intervention.* International ALS/MND Symposium, Toronto, Ontario, December 2007.

Bardach, LG. *Communication Issues at End of Life: AAC Supportive Care for Adults.* Invited presentation, End of Life Symposium, American Speech-Language-Hearing Association Annual Conference, Boston, MA, November 2007.

Bardach, LG. *Access to Speech Generating Devices.* Invited instructional course, California State University at Northridge: Technology and Persons with Disabilities Annual Conference, Los Angeles, CA, March 2007 and March 2009.

Bardach, LG. *Assistive Technology Evaluations.* Invited presentation, United Cerebral Palsy of Detroit Living Without Limits Conference, Troy, MI, October 2007.

Bardach, LG. *Realizing the Possibilities of Assistive Technology.* Invited presentation, United Cerebral Palsy of Detroit Living Without Limits Conference, Dearborn, MI, November 2006.

Bardach, LG. *Augmentative Communication for Children.* Invited presentation, United Cerebral Palsy of Detroit Living Without Limits Conference, Dearborn, MI, November 2006.

Lasker, J., Bardach, L., Britton, D., Fager, S., King, J., & Hickey, E. *AAC in Health Care Settings: Decision Making Protocols and Case Studies.* American Speech-Language-Hearing Association Annual Conference, Miami, FL, November 2006.

Bardach, LG. *Communication Options for Persons with Amyotrophic Lateral Sclerosis (PALS).* Invited presentation, ALS of Michigan Respite Care Agency Conference, Lansing, MI, October 2006; Bay City MI August 2006; Port Huron, MI June 2006; Southfield MI February 2006

Bardach, LG. *Alternative Access to SGDs.* American Speech-Language-Hearing Association Annual Conference, San Diego, CA, November 2005.

Bardach, LG. *Access to Speech Generating Devices: Strategies for Assessment and Practice.* Invited workshop, The University at Buffalo, Center for Excellence in Augmented Communication, Buffalo NY, June 3-4, 2005.

Bardach, LG. *1 Switch? 2 Switch? Old Switch? New Switch? Alternative Access to SGDs.* Invited presentation, United States Society for Augmentative and Alternative Communication Biennial Conference and CSUN Technology and Persons with Disabilities Annual Conference, Los Angeles, CA, March 2005.

DeRuyter, F., Ourand, P., Trautman, J., Vess, G., Bardach, L., & Caves, K.: Clinical Pathways for Communication and Swallowing Changes Associated with ALS. Presented to the 15th International Symposium of ALS/MND, Philadelphia, PA (2004).

Lasker, J., Ball, L., Bardach, L., Fox, L., Fried-Oken, M. *AAC III: Grand Rounds in AAC Assessment: Case Studies.* American Speech-Language-Hearing Association Annual Conference, Philadelphia, PA, November 2004.
