23 “(a) IN GENERAL.—The Secretary shall—

1 “(1) carry out, and expand upon, a national
2 public awareness campaign to educate the public and
3 health care providers about—

4 “(A) poisoning, toxic exposure, and drug
5 misuse prevention; and

6 “(B) the availability of poison control cen-
7 ter resources in local communities; and

8 “(2) as part of such campaign, highlight the
9 nationwide toll-free number and enhanced commu-
10 nications capabilities supported under section 1271.

11 “(b) CONSULTATION.—In carrying out and expand-
12 ing upon the national campaign under subsection (a), the
13 Secretary may consult with nationally recognized profes-
14 sional organizations in the field of poison control response
15 for the purpose of determining the best and most effective
16 methods for achieving public awareness.

17 “(c) CONTRACT WITH ENTITY.—The Secretary may
18 carry out subsection (a) by entering into contracts with
19 one or more public or private entities, including nationally
20 recognized professional organizations in the field of poison
21 control and national media firms, for the development and
22 implementation of the awareness campaign under sub-
23 section (a), which may include—

24 “(1) the development and distribution of poi-
25 soning and toxic exposure prevention, poison control

1 center, and public health emergency awareness and
2 response materials;

3 “(2) television, radio, internet, and newspaper
4 public service announcements; and

5 “(3) other means and activities to provide for
6 public and professional awareness and education.

7 “(d) EVALUATION.—The Secretary shall—

8 “(1) establish baseline measures and bench-
9 marks to quantitatively evaluate the impact of the
10 nationwide public awareness campaign carried out
11 under this section; and

12 “(2) on a biennial basis, prepare and submit to
13 the appropriate committees of Congress an evalua-
14 tion of the nationwide public awareness campaign.

16 is authorized to be appropriated to carry out this section,
17 \$800,000 for each of fiscal years 2019 through 2023.”.

18 **SEC. 4. REAUTHORIZATION OF THE POISON CONTROL CEN-**
19 **TER GRANT PROGRAM.**

20 Section 1273 of the Public Health Service Act (42
21 U.S.C. 300d–73) is amended to read as follows:

22 **“SEC. 1273. MAINTENANCE OF THE POISON CONTROL CEN-**
23 **TER GRANT PROGRAM.**

24 “(a) AUTHORIZATION OF PROGRAM.—The Secretary
25 shall award grants to poison control centers accredited

1 under subsection (c) (or granted a waiver under subsection
2 (d)) and nationally recognized professional organizations
3 in the field of poison control for the purposes of—

4 “(1) preventing, and providing treatment rec-
5 ommendations for, poisonings and toxic exposures
6 including opioid and drug misuse;

7 “(2) assisting with public health emergencies,
8 responses, and preparedness; and

9 “(3) complying with the operational require-
10 ments needed to sustain the accreditation of the cen-
11 ter under subsection (c).

12 “(b) ADDITIONAL USES OF FUNDS.—In addition to
13 the purposes described in subsection (a), a poison center
14 or professional organization awarded a grant under such
15 subsection may also use amounts received under such
16 grant—

17 “(1) to research, establish, implement, and
18 evaluate best practices in the United States for poi-
19 soning prevention, poison control center outreach,
20 opioid and drug misuse information and response,
21 and public health emergency, response, and pre-
22 paredness programs;

23 “(2) to research, develop, implement, revise,
24 and communicate standard patient management

1 guidelines for commonly encountered toxic expo-
2 sures;

3 “(3) to improve national toxic exposure and
4 opioid misuse surveillance by enhancing cooperative
5 activities between poison control centers in the
6 United States and the Centers for Disease Control
7 and Prevention and other governmental agencies;

8 “(4) to research, improve, and enhance the
9 communications and response capability and capac-
10 ity of the Nation’s network of poison control centers
11 to facilitate increased access to the centers through
12 the integration and modernization of the current
13 poison control centers communications and data sys-
14 tem, including enhancing the network’s telephony,
15 internet, data, and social networking technologies;

16 “(5) to develop, support, and enhance tech-
17 nology and capabilities of nationally recognized pro-
18 fessional organizations in the field of poison control
19 to collect national poisoning, toxic occurrence, and
20 related public health data;

21 “(6) to develop initiatives to foster the en-
22 hanced public health utilization of national poison
23 data collected by such organizations;

24 “(7) to support and expand the toxicologic ex-
25 pertise within poison control centers; and

1 “(8) to improve the capacity of poison control
2 centers to answer high volumes of contacts and
3 internet communications, and to sustain and en-
4 hance the poison control center’s network capability
5 to respond during times of national crisis or other
6 public health emergencies.

7 “(c) ACCREDITATION.—Except as provided in sub-
8 section (d), the Secretary may award a grant to a poison
9 control center under subsection (a) only if—

10 “(1) the center has been accredited by a nation-
11 ally recognized professional organization in the field
12 of poison control, and the Secretary has approved
13 the organization as having in effect standards for
14 accreditation that reasonably provide for the protec-
15 tion of the public health with respect to poisoning;
16 or

17 “(2) the center has been accredited by a State
18 government, and the Secretary has approved the
19 State government as having in effect standards for
20 accreditation that reasonably provide for the protec-
21 tion of the public health with respect to poisoning.

22 “(d) WAIVER OF ACCREDITATION REQUIREMENTS.—

23 “(1) IN GENERAL.—The Secretary may grant a
24 waiver of the accreditation requirements of sub-
25 section (c) with respect to a nonaccredited poison

1 control center that applies for a grant under this
2 section if such center can reasonably demonstrate
3 that the center will obtain such an accreditation
4 within a reasonable period of time as determined ap-
5 propriate by the Secretary.

6 “(2) RENEWAL.—The Secretary may renew a
7 waiver under paragraph (1).

8 “(3) LIMITATION.—The Secretary may not,
9 after the date of enactment of the Poison Control
10 Network Enhancement Act of 2018, grant to a poi-
11 son control center waivers or renewals that total
12 more than 5 years.

13 “(e) SUPPLEMENT NOT SUPPLANT.—Amounts made
14 available to a poison control center under this section shall
15 be used to supplement and not supplant other Federal,
16 State, or local funds provided for such center.

17 “(f) MAINTENANCE OF EFFORT.—A poison control
18 center, in utilizing the proceeds of a grant under this sec-
19 tion, shall maintain the annual recurring expenditures of
20 the center for its activities at a level that is not less than
21 80 percent of the average level of such recurring expendi-
22 tures maintained by the center for the preceding 3 fiscal
23 years for which a grant is received.

24 “(g) AUTHORIZATION OF APPROPRIATIONS.—There
25 is authorized to be appropriated to carry out this section,

1 \$28,600,000 for each of fiscal years 2019 through 2023.
2 The Secretary may utilize an amount not to exceed 6 per-
3 cent of the amount appropriated pursuant to the pre-
4 ceding sentence for each fiscal year for coordination, dis-
5 semination, technical assistance, program evaluation, data
6 activities, and other program administration functions,
7 which are determined by the Secretary to be appropriate
8 for carrying out the program under this section.”.
