Debra A. Draper, Ph.D., M.S.H.A

Debra A. Draper, Ph.D., M.S.H.A., is a Director on the Health Care Team at the U.S. Government Accountability Office (GAO). Dr. Draper received her doctorate in health services organizations and research from the Medical College of Virginia, Virginia Commonwealth University, where she also earned a master's degree in health administration; she has an undergraduate degree in commerce from the University of Virginia. Before joining GAO, Dr. Draper was the associate director of the Center for Studying Health System Change, and previously, was a senior researcher at Mathematica Policy Research. Dr. Draper also has held a number of positions, including those in hospital administration, hospital finance, and health care consulting. Her current work focuses on a range of health policy issues, including, veterans and military health care, as well as the nation's safety net. Dr. Draper has also conducted research in a number of other health policy areas including Medicare, Medicaid, mental health care, and the organization, financing and delivery of health care services in local markets.
