

## KATIE KEITH, JD, MPH

katie.keith@georgetown.edu | 702-540-6398 | Washington, DC | [linkedin.com/in/katiekeith1](https://www.linkedin.com/in/katiekeith1)

---

### **Georgetown University** | Assoc. Research Professor and Adjunct Prof. of Law | Washington, DC | 2016 – Present

- Maintain a faculty appointment at Georgetown University’s Center on Health Insurance Reforms and partner with other faculty on projects related to private health insurance and the Affordable Care Act.
- Design and teach courses for J.D. and LL.M. students on *The Affordable Care Act: Law and Policy Governing Private Health Insurance* and *LGBT Health Law and Policy* at the Georgetown University Law Center.
- Serve as a Scholar at the O’Neill Institute for National and Global Health Law.

### **Keith Policy Solutions, LLC** | Washington, DC | April 2015 – Present

- Provide “Following the ACA” rapid response analysis for the *Health Affairs* Blog.
- Develop and execute original research and analysis on behalf of foundation and nonprofit clients; provide rapid response analysis of federal and state policy changes that affect access to health care.
- Provide legal research and policy analysis to support the consumer representatives to the National Association of Insurance Commissioners (NAIC) under a grant from the Robert Wood Johnson Foundation.
- Serve as a Steering Committee Member of Out2Enroll, a national initiative to connect LGBT people with health insurance under the Affordable Care Act, and an appointed consumer representative to the NAIC.

### **Trimpa Group, LLC** | Director of Research | Washington, DC | 2013 – 2015

- Directed research and advocacy efforts and advised clients such as Autism Speaks on achieving federal and state advocacy goals; served as a liaison to officials at The White House, the U.S. Department of Health and Human Services, and other federal and state agencies.

### **Georgetown University Health Policy Institute** | Asst. Research Professor | Washington, DC | 2011 – 2013

- Served as a principal investigator for health policy projects and oversaw research and analysis of state insurance rules on a 50-state basis.
- Authored reports, issue briefs, blogs, and other resources on health policy issues under projects funded by the Commonwealth Fund, the Kaiser Family Foundation, and the Robert Wood Johnson Foundation, among others.
- Participated in consumer and patient advocacy coalitions and maintained an extensive network of contacts with insurance regulators, partners, and the media.

### **United States Peace Corps** | Science Education Volunteer | Ghana, West Africa | 2005 – 2007

- Taught biology in a secondary school and facilitated community development projects; founded an annual National Youth Leadership Conference for 120 students; trained senior students to lead HIV/AIDS education for 850 younger students; coordinated with nongovernmental organizations to establish a working school computer lab; collaborated with Ghanaian staff to design a cross-cultural training course.

---
