To amend the 21st Century Cures Act to provide for designation of institutions of higher education that provide research, data, and leadership on continuous manufacturing as National Centers of Excellence in Continuous Pharmaceutical Manufacturing, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

OCTOBER 28, 2019

Mr. PALLONE (for himself and Mr. GUTHRIE) introduced the following bill; which was referred to the Committee on Energy and Commerce

A BILL

To amend the 21st Century Cures Act to provide for designation of institutions of higher education that provide research, data, and leadership on continuous manufacturing as National Centers of Excellence in Continuous Pharmaceutical Manufacturing, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the “National Centers of Excellence in Continuous Pharmaceutical Manufacturing Act of 2019”.

SEC. 2. NATIONAL CENTERS OF EXCELLENCE IN CONTINUOUS PHARMACEUTICAL MANUFACTURING.

(a) In General.—Section 3016 of the 21st Century Cures Act (21 U.S.C. 399h) is amended to read as follows:

"SEC. 3016. NATIONAL CENTERS OF EXCELLENCE IN CONTINUOUS PHARMACEUTICAL MANUFACTURING.

"(a) In General.—The Secretary of Health and Human Services, acting through the Commissioner of Food and Drugs—

"(1) shall solicit and, beginning not later than 180 days after the date of enactment of the National Centers of Excellence in Continuous Pharmaceutical Manufacturing Act of 2019, receive requests from institutions of higher education to be designated as a National Center of Excellence in Continuous Pharmaceutical Manufacturing (in this section referred to as a ‘National Center of Excellence’) to support the advancement and development of continuous manufacturing; and

"(2) shall so designate any institution of higher education that—

"(A) requests such designation; and

"(B) meets the criteria specified in subsection (c).
“(b) Request for Designation.—A request for designation under subsection (a) shall be made to the Secretary at such time, in such manner, and containing such information as the Secretary may require. Any such request shall include a description of how the institution of higher education meets or plans to meet each of the criteria specified in subsection (c).

“(c) Criteria for Designation Described.—The criteria specified in this subsection with respect to an institution of higher education are that the institution has, as of the date of the submission of a request under subsection (a) by such institution—

“(1) physical and technical capacity for research and development of continuous manufacturing;

“(2) scalable manufacturing knowledge-sharing networks with other institutions of higher education, large and small biopharmaceutical manufacturers, generic and nonprescription manufacturers, contract manufacturers, and other entities;

“(3) proven capacity to design and demonstrate new, highly effective technology for use in continuous manufacturing;
“(4) a track record for creating and transferring knowledge with respect to continuous manufacturing;

“(5) the potential to train a future workforce for research on and implementation of continuous manufacturing; and

“(6) the potential to participate in and lead a continuous manufacturing technology partnership with other institutions of higher education, large and small biopharmaceutical manufacturers, generic and nonprescription manufacturers, contract manufacturers, and other entities—

“(A) to support companies with continuous manufacturing in the United States;

“(B) to support Federal agencies with technical assistance for continuous manufacturing;

“(C) with respect to continuous manufacturing, to organize and conduct research and development activities needed to create new and more effective technology, capture and disseminate expertise, create intellectual property, and maintain technological leadership;
“(D) to standardize systems and approaches for designing continuous manufac-

turing; and

“(E) to develop a plan to establish a con-

tinuous manufacturing workforce.

“(d) **TERMINATION OF DESIGNATION.**—The Sec-

retary may terminate the designation of any National Cen-

ter of Excellence designated under this section if the Sec-

retary determines such National Center of Excellence no

longer meets the criteria specified in subsection (c). Not

later than 60 days before the effective date of such a ter-

mination, the Secretary shall provide written notice to the

National Center of Excellence, including the rationale for

such termination.

“(e) **CONDITIONS FOR DESIGNATION.**—As a condi-

tion of designation as a National Center of Excellence

under this section, the Secretary shall require that an in-

stitution of higher education enter into an agreement with

the Secretary under which the institution agrees—

“(1) to collaborate directly with the Food and

Drug Administration to publish the reports required

by subsection (g);

“(2) to share data with the Food and Drug Ad-

ministration regarding best practices and research

generated through the funding under subsection (f);
“(3) to provide an annual report to the Food and Drug Administration regarding the institution’s activities under this section; and

“(4) to develop, along with industry partners and another institution or institutions designated under this section, if any, a roadmap for developing a continuous manufacturing workforce.

“(f) FUNDING.—

“(1) IN GENERAL.—The Secretary shall award funding to the National Centers of Excellence designated under this section for the purpose of studying and recommending improvements to continuous manufacturing, including such improvements as may enable the Centers—

“(A) to continue to meet the conditions specified in subsection (e);

“(B) to submit reports under subsection (e)(3); and

“(C) to expand capacity for research on, and development of, continuing manufacturing.

“(2) AUTHORIZATION OF APPROPRIATIONS.—

There is authorized to be appropriated to carry out this subsection $80,000,000 for the period of fiscal years 2021 through 2025.
“(3) RULE OF CONSTRUCTION.—Nothing in this section shall be construed as precluding a National Center for Excellence designated under this section from receiving funds under any other provision of this Act or any other Federal law.

“(g) ANNUAL REVIEW AND REPORTS.—

“(1) ANNUAL REPORT.—Beginning not later than one year after the date on which the first designation is made under subsection (a), and annually thereafter, the Secretary shall—

“(A) submit to Congress a report describing the activities, partnerships and collaborations, Federal policy recommendations, previous and continuing funding, and findings of, and any other applicable information from, the National Centers of Excellence designated under this section; and

“(B) make such report available to the public in an easily accessible electronic format on the website of the Food and Drug Administration.

“(2) REVIEW OF NATIONAL CENTERS OF EXCELLENCE AND POTENTIAL DESIGNEES.—The Secretary shall periodically review the National Centers of Excellence designated under this section to ensure
that such National Centers of Excellence continue to meet the criteria for designation under this section.

“(3) Report on long-term vision of FDA role.—Not later than 2 years after the date on which the first designation is made under subsection (a), the Secretary, in collaboration with the National Centers of Excellence designated under this section, shall submit a report to the Congress on the long-term vision of the Department of Health and Human Services on the role of the Food and Drug Administration in supporting continuous manufacturing, including—

“(A) a national framework of principles related to the implementation and regulation of continuous manufacturing; and

“(B) a plan for the development of Federal regulations and guidance for how continuous manufacturing can be incorporated into the development, review, and approval process for drugs and biological products.

“(h) Definitions.—In this section:

“(1) Biological product.—The term ‘biological product’ has the meaning given such term in section 351(i) of the Public Health Service Act (42 U.S.C. 262(i)).
“(2) Continuous manufacturing.—The term ‘continuous manufacturing’—

“(A) means a process where the input materials are continuously fed into and transformed within the process, and the processed output materials are continuously removed from the system; and

“(B) consists of an integrated process that consists of a series of two or more unit operations.

“(3) Drug.—The term ‘drug’ has the meaning given such term in section 201 of the Federal Food, Drug, and Cosmetic Act (21 U.S.C. 321).

“(4) Institution of higher education.—The term ‘institution of higher education’ has the meaning given such term in section 101(a) of the Higher Education Act of 1965 (20 U.S.C. 1001(a)).

“(5) Secretary.—The term ‘Secretary’ means the Secretary of Health and Human Services, acting through the Commissioner of Food and Drugs.”.

(b) Transition Rule.—Section 3016 of the 21st Century Cures Act (21 U.S.C. 399h), as in effect on the day before the date of the enactment of this section, shall
apply with respect to grants awarded under such section before such date of enactment.
