

**AMENDMENT TO THE AMENDMENT IN THE  
NATURE OF A SUBSTITUTE TO H.R. 5279  
OFFERED BY M . \_\_\_\_\_**

At the end of the section 608 of the Federal Food, Drug, and Cosmetic Act proposed to be added by section 102 of the amendment, add the following:

1           “(i) INCLUSION OF COMMUNITIES OF COLOR IN IN-  
2 GREDIENT REVIEW.—In establishing the processes and  
3 procedures for ingredient review under this section, includ-  
4 ing convening a public meeting, issuing guidance, and se-  
5 lecting ingredients and nonfunctional constituents (or cat-  
6 egories thereof) for such review, the Secretary shall con-  
7 sult with the Office of Minority Health—

8           “(1) to ensure that such review, and the types  
9 of scientific evidence, clinical studies, data, or other  
10 information needed to support the review of cosmetic  
11 ingredients or nonfunctional constituents (or cat-  
12 egories thereof), include women and girls of color as  
13 appropriate; and

14           “(2) to identify and consider ingredients or  
15 nonfunctional constituents linked to adverse health  
16 effects in women and girls of color.”.
