2 This Act may be cited as the “Advancing Critical  
3 Connectivity Expands Service, Small Business Resources,  
4 Opportunities, Access, and Data Based on Assessed Need  
5 and Demand Act” or the “ACCESS BROADBAND Act”.

**6 SEC. 2. ESTABLISHMENT OF THE OFFICE OF INTERNET  
7 CONNECTIVITY AND GROWTH.**

8 Not later than 180 days after the date of the enact-  
9 ment of this Act, the Assistant Secretary shall establish  
10 the Office of Internet Connectivity and Growth within the  
11 National Telecommunications and Information Adminis-  
12 tration.

**13 SEC. 3. DUTIES.**

14 (a) OUTREACH.—The Office shall—

15 (1) connect with communities that need access  
16 to high-speed internet and improved digital inclusion  
17 efforts through various forms of outreach and com-  
18 munication techniques;

1           (2) hold regional workshops across the country  
2           to share best practices and effective strategies for  
3           promoting broadband access and adoption;

4           (3) develop targeted broadband training and  
5           presentations for various demographic communities  
6           through various media; and

7           (4) develop and distribute publications (includ-  
8           ing toolkits, primers, manuals, and white papers)  
9           providing guidance, strategies, and insights to com-  
10          munities as the communities develop strategies to  
11          expand broadband access and adoption.

12          (b) TRACKING OF FEDERAL DOLLARS.—

13           (1) BROADBAND INFRASTRUCTURE.—The Of-  
14          fice shall track the construction and use of and ac-  
15          cess to any broadband infrastructure built using any  
16          Federal support in a central database.

17           (2) ACCOUNTING MECHANISM.—The Office  
18          shall develop a streamlined accounting mechanism  
19          by which any agency offering a Federal broadband  
20          support program and the Commission through the  
21          Universal Service Fund shall provide the information  
22          described in paragraph (1) in a standardized and ef-  
23          ficient fashion.

24           (3) REPORT.—Not later than 1 year after the  
25          date of the enactment of this Act, and every year

1       thereafter, the Office shall make public on the  
2       website of the Office and submit to the Committee  
3       on Energy and Commerce of the House of Rep-  
4       resentatives and the Committee on Commerce,  
5       Science, and Transportation of the Senate a report  
6       on the following:

7               (A) A description of the work of the Office  
8               for the previous year and the number of resi-  
9               dents of the United States that received  
10              broadband as result of Federal broadband sup-  
11              port programs and the Universal Service Fund  
12              program.

13             (B) A description of how many residents of  
14             the United States were provided broadband by  
15             which universal service mechanism or which  
16             Federal broadband support program.

17             (C) An estimate of the economic impact of  
18             such broadband deployment efforts on the local  
19             economy, including any effect on small busi-  
20             nesses or jobs.

21   **SEC. 4. STREAMLINED APPLICATIONS FOR SUPPORT.**

22       (a) AGENCY CONSULTATION.—The Office shall con-  
23       sult with any agency offering a Federal broadband support  
24       program to streamline and standardize the applications

1 process for financial assistance or grants for such pro-  
2 gram.

3 (b) AGENCY STREAMLINING.—Any agency offering a  
4 Federal broadband support program shall amend their ap-  
5 plications for broadband support, to the extent practicable  
6 and as necessary, to streamline and standardize applica-  
7 tions for Federal broadband support programs across the  
8 Government.

9 (c) SINGLE APPLICATION.—To the greatest extent  
10 practicable, the Office shall seek to create one application  
11 that may be submitted to apply for all, or substantially  
12 all, Federal broadband support programs.

13 (d) WEBSITE REQUIRED.—Not later than 180 days  
14 after the date of the enactment of this Act, the Office shall  
15 create a central website through which potential applicants  
16 can learn about and apply for support through any Fed-  
17 eral broadband support program.

18 **SEC. 5. COORDINATION OF SUPPORT.**

19 The Office, any agency that offers a Federal  
20 broadband support program, and the Commission through  
21 the Universal Service Fund shall coordinate with the Of-  
22 fice to ensure that support is being distributed in an effi-  
23 cient, technology-neutral, and financially sustainable man-  
24 ner, with the goal of serving the largest number of persons  
25 in the United States while avoiding overbuilding and pro-

1 moting the most job and economic growth for all residents  
2 of the United States.
