

Anthony Gossner

Chief Gossner began his fire service career with CALFIRE in 1986, before being hired by Santa Rosa in 1990. Chief Gossner holds a Bachelor's degree from California State University, Long Beach and a Fire Technology Certificate from the Santa Rosa Junior College.

Since 1990, he has served our city in all ranks of the Fire Department to include; Fire Marshal, Deputy Fire Chief and Interim Fire Chief before being appointed as Fire Chief August 28, 2014.

Chief Gossner has recently worked to help the City of Santa Rosa achieve an ISO Safety rating of 1, which is the highest safety rating available. He continues to work to build a comprehensive and collaborative plan within the City of Santa Rosa and the region to continually achieve positive results. Chief Gossner is a board member for Cal Chiefs, United Way of the Wine Country and REDCOM (dispatch). He is a dynamic and involved leader with a relentless commitment to the delivery of excellent services to the citizens of Santa Rosa.
