## INSTRUCTIONS FOR COMPLETING THE TRUTH-IN-TESTIMONY DISCLOSURE FORM

***In General.*** The attached form is intended to assist witnesses appearing before the Committee on Energy and Commerce in complying with Rule XI, clause 2(g)(5) of the Rules of the House of Representatives, which provides:

(B) In the case of a witness appearing in a nongovernmental capacity, a written statement of proposed testimony shall include a curriculum vitae and a disclosure of any Federal grants or contracts, or contracts or payments originating with a foreign government, received during the current calendar year or either of the two previous calendar years by the witness or by an entity represented by the witness and related to the subject matter of the hearing. (C) The disclosure referred to in subdivision (B) shall include (i) the amount and source of each Federal grant (or subgrant thereof) or contract (or subcontract thereof) related to the subject matter of the hearing; and (ii) the amount and country of origin of any payment or contract related to the subject matter of the hearing originating with a foreign government. (D) Such statements, with appropriate redactions to protect the privacy or security of the witness, shall be made publicly available in electronic form not later than one day after the witness appears.

### **Please complete the form in accordance with these directions.**

1. ***Name, Title, Entity(ies) (Items 1-3 on the form).*** Please provide the name and title of the witness and the entity(ies) on whose behalf the witness is testifying.
2. ***Governmental Entity (Item 4).*** Please check the box indicating whether or not the witness is testifying on behalf of a government entity, such as a Federal department or agency, or a State or local department, agency, or jurisdiction. Trade or professional associations of public officials are not considered to be governmental organizations.  
  
***Grants and Contracts (Item 5).*** Please list any Federal grants or contracts, or contracts or payments originating with a foreign government, that you or the entity(ies) you represent have received on or after January 1, 2013. For each Federal grant (or subgrant thereof) or contract (or subcontract thereof) related to the subject matter of the hearing, please include the amount and source of each. For each payment or contract originating with a foreign government related to the subject matter of the hearing, please include the amount and country of origin of each. Only grants, contracts, or payments related to the subject matter of the hearing must be listed.
3. ***Curriculum Vitae (Item 6).*** Please attach your CV to your completed disclosure form.
4. ***Submission.*** Please sign and date the form in the appropriate place. Please submit this form with your written testimony. Please note that under the Committee's rules, copies of a written statement of your proposed testimony must be submitted before the commencement of the hearing. To the greatest extent practicable, please also provide a copy in electronic format according to the Electronic Format Guidelines that accompany these instructions.

Gennaro "Jerry" Cuomo is currently the VP, and Middleware Chief Technology Officer in IBM's Systems Business Unit.

Holding the title of IBM Fellow, he is one of the founding fathers of IBM WebSphere Software. At IBM, Cuomo has led projects in the areas of Internet of Things, Mobile, Cloud Computing, Web application servers, Java, real-time collaboration software, and high-performance transactional systems. Cuomo currently has filed for over 50 US patents for IBM.

Cuomo spent the first 9 years of his career working on advanced technology software at the IBM Thomas J. Watson Research Center in New York. Cuomo has been part of the WebSphere Application Server engineering team from its inception in 1997. As an engineer on the WebSphere project, Cuomo has been lead activities in Web Server Performance, High Availability, Dynamic Caching, Edge Serving, Web Security, SOA, Web 2.0 and RESTful SOA via Project Zero, Appliances, Event Driven Architecture and Virtualization.

In recent years Cuomo has been providing direction on IBM's strategy and product capabilities related to mobile and cloud computing. Specifically, Cuomo has been involved in defining the key attributes of cloud computing defining IBM's Bluemix Platform-as-a-service strategy, approaches for measuring cloud performance, mobile computing and engaging enterprise strategy, mobile development with JavaScript-based technologies and IBM's Internet of Things strategy. Cuomo has also been vocal about the positive impact the "mobile generation" will have on our society.
