

EXPERIENCE

COMMON SENSE MEDIA

Senior Counsel, Global Policy, 2021-present, Shaker Heights, OH

Senior Counsel, Policy and Privacy, 2017-2020, Washington, DC and Shaker Heights, OH

Senior Policy Counsel, Privacy and Consumer Affairs, 2016-2017, Washington, DC

Policy Counsel, 2014-2016, Washington, DC

Research Consultant, 2010, Washington, DC

- Develop and drive organization's global privacy policy agenda, including advising CEO.
- Craft laws and legislation regarding student, child, and consumer privacy and security, such as the California Consumer Privacy Act's provisions on minors, and rules on marketing, disclosures, and platform design.
- Testify before and brief legislators, regulators, and members of the judiciary regarding COPPA, FERPA, the California Consumer Privacy Act, and other laws and proposals affecting privacy and digital rights.
- Author and submit comments to provide child and family perspectives to FTC, FCC, NTIA, ED, and other agencies in rulemakings and workshops about privacy, media, and technology.
- Draft policy reports and whitepapers on a wide range of privacy and technology issues, including children's and student privacy, broadband privacy, Internet of Things, online harms, platform responsibility, age-appropriate design, digital wellbeing, advertising endorsements, Lifeline, and the Children's Television Act.
- Speak at public events, conferences, and to national news media about consumer experiences with connected devices, children's apps and games, contact tracing, ed tech, privacy, and digital content.
- Monitor and evaluate technology, media, and communications industry developments and advise business leaders on how to improve privacy, security, and marketing practices.
- Collaborate with civil rights, consumer, privacy, and other civil society allies in the US and abroad on public pressure campaigns and legislative strategy.
- Identify harmful online and digital business practices and advocate for regulator enforcement.
- Counsel on internal compliance with COPPA, CAN-SPAM, TCPA, and other privacy, security, and marketing laws, overhauling and improving policies, products, and services.

SHEPPARD, MULLIN, RICHTER & HAMPTON LLP, Washington, DC
