Mark McManus
General President, United Association

In August 2016, Mark McManus was unanimously elected General President of the United Association (UA) at the UA's 39th General Convention and on November 10, 2016, he assumed his new position. General President McManus represents 340,000 Plumbers, Pipefitters, Sprinklerfitters, Welders and HVAC Service Technicians across the United States and Canada.

Mark began his career with the UA in 1983 when he was initiated into Plumbers Local 24 in Newark, New Jersey. He was elected Business Agent in 1994 and Business Manager in 1997. His talents and leadership brought him to the United Association General Office in 2007 where he has served as International Representative and Administrative Assistant to the General President. He most recently served a five-year term as General Secretary-Treasurer.

As General President Mark McManus is responsible for supervising the day-to-day affairs of the United Association and for decisions concerning internal union governance, as well as rendering decisions and adjusting disputes and other matters affecting the organization. He is the Chairman of the UA General Executive Board, UA Strategic Planning Committee and is the Chairman of the Board of Trustees on multiple UA pension Funds. Mark McManus supervises the development and implementation of all major policies and programs of the United Association including the industry leading UA Veterans in Piping®(VIP) Program.

In addition, he serves as Vice President of the Executive Council of the Metal Trades Department and is a member of the Building Trades' Governing Board of Presidents and serves on the Board of Directors of Helmets to Hardhats.

Mark and the UA are extremely active in all aspects of the political world – National, State and Local, in a bipartisan manner.

Mark McManus has had a distinguished career in support of our nation's hard working men and women and is unwavering in his commitment to a strong and mutually beneficial partnership between labor and management.
