Chairman  
Subcommittee on Environment  
and Climate Change of the  
House Committee on Energy  
and Commerce

The Honorable David B. McKinley  
Ranking Member  
Subcommittee on Environment  
and Climate Change of the  
House Committee on Energy  
and Commerce

Dear Chairman Tonko and Ranking Member McKinley,

As the Executive Director of the Interstate Oil and Gas Compact Commission (IOGCC), I am forwarding the following resolutions adopted by our member states on May 18, 2021:

RESOLUTION 21.051, Urging the Federal Government to Work with States in the Spirit of Cooperative Federalism During Review of the Federal Fossil Fuel Program

RESOLUTION 21.052, Pertaining to The CLEAN Future Act and Any Substantially Similar Legislation or Policies

IOGCC is a multistate government agency that for over 80 years has represented the oil and gas producing states. The membership includes 31 member states and seven associate member states. Our mission is to promote the conservation and efficient recovery of domestic oil and natural gas resources while protecting health, safety, and the environment.

Please include these resolutions in the record of the hearing scheduled for Tuesday, May 25, 2021, on "The Clean Future Act and Drinking Water: Legislation to Ensure Drinking Water is Safe and Clean."

Sincerely,

  
Lori Wrotenberg  
Executive Director  
Interstate Oil and Gas Compact Commission
