Ad Text It was a powerful moment in an America that has seen hate crimes against Muslim Americans triple since November. In an America where the Republican political party had a 44% very unfavorable view of Islam, despite 78% of the same Republican respondents saying they neither worked with nor had any Muslim friends, according to a YouGov poll conducted from 6 -9 March, 2015. In an America where failed businessman and top contender for the GOP nomination Donald Trump has publicly and unapologetically called for widespread surveillance on mosques, mass deportations, denial of asylum to all Muslims and has lauded a plan to shoot Muslims with bullets covered in pig's blood.

So when Bernie Sanders acts like a human being and commits his prospective presidency (not to mention entire career) to combatting racism, xenophobia and Islamophobia, it shouldn't come as a surprise to anyone that Muslim Americans overwhelmingly support his bid for the White House.

Ad Text "If you ask me about the Clinton Foundation, do I have a problem when a sitting secretary of state and a foundation run by her husband collects many millions of dollars from foreign governments, many governments which are dictatorships... yeah, I do," Sanders said in an interview with Jake Tapper on CNN.

So, Bernie has the point. I appreciate the way he maintains his independent opinion in spite of all the pressure that is on him as the "second Democratic option". Because that is a fact. The Clinton Foundation is nothing more than an "organized crime" at it's finest, in which we are investing our taxpayers' money!

Hillary has no problem in accepting foreign money from the countries, like Saudi Arabia. Hillary has no remorse about taking money from countries that abuse the rights of women, while she has always had her own alleged feminist stance. She does not refrain from receiving money from the countries that prosecute, torture and execute LGBT on the legal basis, although Hillary has always been a "defender" of the minorities.

So, why are so many people going to vote for her? That's a secret for me. What's your opinion on that point?

Ad Text You can color your own Bernie Hero!

There is a new coloring book calling "Buff Bernie: A coloring Book for Berniacs" is full of very attractive doodles of Bernie Sanders in muscle poses.

The author of the book said that she wanted people to stop taking this whole thing too serious. The coloring is something that suits for all people. I totally agree with her! I've recently heard some hateful comments from the Hillary supporters about Bernie Sanders and his supporters, so I really love the idea of this color book. I think that Bernie would love it!

Ad Text Border Patrol agents in South Texas arrested an illegal alien from Honduras that had previously been deported and convicted of Rape Second Degree.

Thanks to Obama's and Hillary's policy, illegals come here because they wait for amnesty promised. The wrong course had been chosen by the American

government, but all those politicians are too far from the border to see who actually sneaks through it illegally.

Rapists, drug dealers, human traffickers, and others. The percent of innocent poor families searching for a better life is too small to become an argument for amnesty and Texas warm welcome.

Ad Text Fellow Texans! It's time to say a strong NO to the establishment robbers. It is unacceptable for us to see them ruin all we've been building for decades. For centuries. The establishment thinks they can treat us like stupid sheep but they are wrong. We won't put up with this anymore. The corrupt media does not talk about the crimes committed by Killary Rotten Clinton, neither does it

mention the leaked emails but it would rather keep on kicking around some outdated tapes featuring Trump. Even Republicans are now offering her a victory by renouncing their nominee. What is this if not treason? No, no, no. We are free citizens of Texas and we've had enough of this cheap show on the screen. We're ready to prove our commitment to liberty, low taxes and gun rights. If Trump wins, there will be a possibility to secede peacefully but not without tension. What will happen if Hitler becomes President? Higher taxes to feed undocumented aliens. More refugees, mosques, and terrorist attacks. Banned guns. Continuing economic depression. Let's remind them what Texas is made of and show that we're ready to SECEDE!

Use our page to team up with other locals. Invite your friends and family, spread the word and let's make this effort together! Get Ready to Secede!

"Stop A.I."	"Who is behind this mask? A man? A woman? A terrorist? Burqa is a security risk and it should be banned on U.S soil!"	55812	11180	520	1477	2016-09-28 02:40:53 PDT

A photograph of three women wearing blue burqas walking in a public space, possibly a train station. A large white banner with bold black text is superimposed over the image. The text reads: 'LIKE AND SHARE IF YOU WANT BURQA BANNED IN AMERICA'. At the bottom of the banner, there is a small graphic of a red heart and the text 'STOP ALL INVADERS' in a stylized font.
