

**AMENDMENT TO THE REPORT ISSUED BY THE CHAIR,
PURSUANT TO SECTION 2, PARAGRAPH 6 OF H. RES.
660, AS PART OF THE HOUSE OF REPRESENTATIVES’
IMPEACHMENT INQUIRY
OFFERED BY CONAWAY OF TX**

At the end of Volume II, section 6 insert the following as a new section:

1 **Section X: Procedural Violations**

2 On November 20, 2019, at the end of the hearing entitled
3 “Impeachment Inquiry: Ms. Cooper & Mr. Hale,”
4 Chairman Schiff violated House Rule XI, clause 2(g)(3)
5 and H.Res. 660, by calling for an immediate vote on the
6 consideration of a subpoena request from the Ranking
7 Member. Because Members were not given adequate
8 notice, Members were not available for the vote.

9
10 The next day, during the hearing entitled “Impeachment
11 Inquiry: Dr. Hill and Mr. Holmes,” Representative Hurd
12 said “Mr. Chairman, before I yield back my time, I'd like
13 to make a statement for the record that had this
14 committee been given proper notice as required by House
15 rule XI, clause 2(g)(3) of the business meeting was to
16 follow last night's hearing and had Mr. Conaway's point
17 of order been appropriately recognized, I would have

18 voted no on the committee's first motion to table during
19 last night's impromptu meeting. And I yield back the
20 balance of my time.”

21

22 Additionally, Clause 2 (j)(1) of House Rule XI states:
23 “Whenever a hearing is conducted by a committee on a
24 measure or matter, the minority members of the
25 committee shall be entitled, upon request to the chair by a
26 majority of them before the completion of the hearing, to
27 call witnesses selected by the minority to testify with
28 respect to that measure or matter during at least one day
29 of hearing thereon.”

30

31 On November 21, 2019, a majority of the minority
32 members of the committee submitted such a request to
33 the Chairman before the completion of the hearing
34 entitled, “Impeachment Inquiry: Dr. Hill and Mr.
35 Holmes.” As of the date of the issuance of this report, the
36 Chairman has not responded to the request.
