House Permanent Select Committee on Intelligence

ATTN: CHIEF CLERK

Dear Chairman Schiff,

Pursuant to Rule 14(f) of the Rules of Procedures of the Permanent Select Committee on Intelligence, I am writing to request access to view the classified addendum to the July 13, 2020 letter Speaker Pelosi, Senate Democratic Leader Schumer, Senate Select Committee on Intelligence Vice Chairman Warner, and you sent to Christopher Wray, the Director of the Federal Bureau of Investigation (FBI).

The letter requests that the FBI provide a defensive counterintelligence briefing to all Members of the House of Representatives and the Senate regarding foreign efforts to interfere in the 2020 U.S. Presidential election. It also underscores the particular concern that Congress appears to be the target of a concerted foreign interference campaign, which seeks to launder and amplify disinformation in order to influence congressional activity, public debate, and the presidential election in November.

As a Member of Congress, I seek access to the content of this classified addendum to understand the foreign interference threats targeting Congress and our elections, so that I can take appropriate defensive action, as appropriate, and to make informed decisions on related programs, legislation and budget considerations on which I must vote.

I appreciate your assistance in this matter.

Sincerely,
