“(a) **DEFINITION OF STUDY AREA.**—In this section, the term “study area” means the coastline and adjacent areas to the Santa Monica Bay from Will Rogers State Beach to Torrance Beach, including the areas in and around Ballona Creek and the Baldwin Hills and the San Pedro section of the City of Los Angeles, excluding the Port of Los Angeles north of Crescent Avenue.

(b) **SPECIAL RESOURCE STUDY.**—

(1) **STUDY.**—The Secretary shall conduct a special resource study of the study area.

(2) **CONTENTS.**—In conducting the study under paragraph (1), the Secretary shall—

(A) evaluate the national significance of the study area;

(B) determine the suitability and feasibility of designating the study area as a unit of the National Park System;

(C) consider other alternatives for preservation, protection, and interpretation of the study area by the Federal Government, State or local government entities, or private and nonprofit organizations;

(D) consult with interested Federal agencies, State or local governmental entities, private and nonprofit organizations, or any other interested individuals; and

(E) identify cost estimates for any Federal acquisition, development, interpretation, operation, and maintenance associated with the alternatives.

(3) **APPLICABLE LAW.**—The study required under paragraph (1) shall be conducted in accordance with section 100507 of title 54, United States Code.

(4) **REPORT.**—Not later than 3 years after the date on which funds are first made available for the study under paragraph (1), the Secretary shall submit to the Committee on Natural Resources of the House of Representatives and the Committee on Energy and Natural Resources of the Senate a report that describes—

(A) the results of the study; and

(B) any conclusions and recommendations of the Secretary.”
