

Graves #3

**Amendment to the Amendment in the Nature of a Substitute to H.R. 4690
Offered by Mr. Graves of Louisiana**

Insert at the appropriate place in the bill:

“Within 1 year of the enactment of this section, the Secretary shall enter into an agreement for an independent analysis to be done on shark populations in the Gulf of Mexico and Atlantic coasts and, before starting the survey, develop a plan to integrate the results of this study into the Secretary’s own data sets and fishery management measures.”
