## CAPÍTULO DE PUERTO RICO

LA ASOCIACIÓN DE LA CONSTRUCCIÓN

## Eduardo J. Pardo, P.E.

### President of AGC-PR 2022

#### BACKGROUND

Eduardo has been a member of the Board of Directors of AGC-PR since 2019 and is currently the Association's president. With over 23 years of construction management experience and after participating in a diverse range of projects worth more than \$400 million, he has gained extensive knowledge of the construction sector and is well aware of current challenges and opportunities regarding the industry.

In addition, he is president of Bird Group LLC, one of Puerto of Rico's construction companies.

#### ABOUT AGC-PR

Founded in 1963, AGC-PR is the leading Association and strong voice of Puerto Rico's construction Industry. With more than 350 members, AGC-PR represents 80% of Puerto Rico's activity in construction and over 30,000 employees. AGC-PR members include general contractors, subcontractors, specialty contractors and providers of products and services related to the construction industry. The Puerto Rico AGC Chapter is affiliated to the Washington, D.C.-based AGC of America.

#### EDUARDO'S COMMITMENT

"As president of AGC-PR, I am committed to being a proactive voice and collaborator to pursue with the public sector substantial progress in Puerto Rico's efforts to reconstruct and modernize its infrastructure and ensure the participation of local companies and labor in these projects."
