

I am writing to encourage you to support H.R. 5444 / S. 2907, the Truth and Healing Commission on Indian Boarding School Policies in the US Act.

I am not Native American but I am American. As such, I inherit the history of our country's egregious, long-term damage to the people. As a society, we have - for the most part - evolved, and now need to reconcile and help the people whom we have hurt be repaired. We should follow their lead, as they know best what they need. Please support the bill.
