RE: Letter of Support for HR 6032 The Katimiin and Aamekyáaraam Sacred Lands Act

Dear Chairman Grijalva and Chairwoman Leger Fernández:

On behalf of the Salmon River Outpost (Somes Bar General Store), please accept this letter of support. This legislative proposal would right a historical wrong preventing Karuk people from free, unfettered and undisturbed access to their sacred places. Our store, the Salmon River Outpost sits in the middle of this proposed legislation land. This place is singular in the world due to the culture and people of the Karuk Tribe. As the local general store and community hub we are in strong support of this legislation.

The Karuk people have lived and conducted ceremonies at Katimiin and Aamekyáaraam since the beginning of time. The Karuk Tribe's historic and present-day government to government relations with the United States is due in large part to their continued presence and traditional and customary uses of Katimiin, Aamekyáaraam, and several other ceremonial areas. These areas are integral to Karuk cosmology and creation as well as the perpetuation of Karuk customs and culture.

We support the Karuk Tribe's efforts to ensure the repatriation and management of Katimiin and Aamekyáaraam so their Tribal ceremonial leaders, traditional practitioners and community members will have access to these lands for traditional and customary uses in perpetuity.

Sincerely,

Chris Hatton
Owner
Salmon River Outpost
