**AMENDMENT TO AMENDMENT IN THE NATURE OF A SUBSTITUTE
TO H.R. 3239**

OFFERED BY MR. GAETZ OF FLORIDA

On page 1, after line 6, add the following:

Sec. 15. Sense of Congress.

On page 17, after line 9, add the following:

Sec. 15. SENSE OF CONGRESS.

Whereas over six million souls perished in the Holocaust; and

Whereas the Nazi death camps were atrocities unparalleled in human history, and we must never forget this monstrous evil; and

Whereas the choice to come to America is made voluntarily, unlike the men, women, and children who were sent to concentration camps; and

Whereas individuals in CBP facilities are not prisoners, and can choose to go back to their home countries, unlike those imprisoned and killed under Adolf Hitler's National Socialist regime—

It is the sense of Congress that comparisons of CBP and ICE detention facilities to concentration camps are unfounded, deserve condemnation, and disparage the historical memory of the Holocaust.
