The following statement is on the record, attributable to DOE Press Secretary Shaylyn Hynes:

“Ambassador Sondland's testimony today misrepresented both Secretary Perry's interaction with Rudy Giuliani and direction the Secretary received from President Trump. As previously stated, Secretary Perry spoke to Rudy Giuliani only once at the President's request. No one else was on that call. At no point before, during or after that phone call did the words 'Biden' or 'Burisma' ever come up in the presence of Secretary Perry.”
