Everywhere Marie Yovanovitch went turned bad. She started off in Somalia, how did that go? Then fast forward to Ukraine, where the new Ukrainian President spoke unfavorably about her in my second phone call with him. It is a U.S. President's absolute right to appoint ambassadors.

....They call it "serving at the pleasure of the President." The U.S. now has a very strong and powerful foreign policy, much different than proceeding administrations. It is called, quite simply, America First! With all of that, however, I have done FAR more for Ukraine than O.

You aren't fit to drink her piss.

What you are doing to America and the world should never ever be happening by an American president*.

While you were staging beauty contests, flogging a fake university, taking millions from your fake charity, & assaulting women, Amb. Yovanovitch was honorably representing the United States of America-earning respect- in countries you wouldn't have the guts to visit.

Poor liddle' frustrated, angry, terrified, desperate manbaby. Watching his presidency unravel on national tv. Yet another day where the laziest most do-nothing president in history just sits around watching tv & tweeting all day. He needs to be fired... #Trump #ImpeachmentInquiry
