Donald J. Trump @realDonaldTrump

The Never Trumper Republicans, though on respirators with not many left, are in certain ways worse and more dangerous for our Country than the Do Nothing Democrats. Watch out for them, they are human scum!

1) This is why Republicans don't speak out against Trump, even though they fucking hate him. He will target them on twitter and then some nutso Trumper will target them in real life.

2) Hey, Melania. When you said "be best", is this what you meant?

Human scum? Dehumanizing and degrading people like this is unbecoming of the President of the United States. Like it or not, Trump has an unprecedented amount of influence on social media. He sets the tone for much of our public discourse. What he says matters a great deal.

When Trump starts calling people human scum and bullies others so viciously, he inspires his own supporters first and then everyone else on social media to follow his lead. We are now living in a cancel culture where intense bullying and vicious attacks are the norm. Horrifying.
