Donald J. Trump @realDonaldTrump

Tell Jennifer Williams, whoever that is, to read BOTH transcripts of the presidential calls, & see the just released ststement from Ukraine. Then she should meet with the other Never Trumpers, who I don't know & mostly never even heard of, & work out a better presidential attack!

The people who claim Pres. Trump is guilty of anything are all supporters of the terrible corruption that has been the norm in DC for decades. Taking the taxpayers money, and distributing it around the world with no questions asked has to end!

Sir, why are you using intimidation to influence yet another witness who is about to testify in your impeachment hearing? In addition to being an impeachable offense, this is a federal crime punishable with up to 20 years in prison. See 18 USC 1512.

Ask @VP who Jennifer Williams is. She works for him.

Though I guess working for Pence doesn't disqualify her as a "Never Trumper", huh?

Anyways, none of you should hold your breath waiting for Pence to come to the defense of one of his advisers. Because that would take a modicum of principle.
