Matthew,

I'm following up on the Chairmen's October 4th request for documents from the Office of the Vice President (attached). The Chairmen requested that OVP produce the documents by October 15 (today).

Can you please let us know as soon as possible whether OVP intends to comply with the Committees' requests for documents by the deadline provided? I'm available to discuss at 202-226-1890.

Thank you for your consideration,  
Kadeem
