House members: In reference to HB5338

My name is Fredrick H. Schafer and I am a Member of the National Association Atomic Veteran. I was involved with the 1962 Christmas Island and Johnston Island testing. I have been helping Veterans and their families to gain information from RECA. Many need this help to assist them in their future.

Also, I would request that several other groups receive this help provided In the HB 5338:

Enewetak Atoll clean-up Personnel.

1966 Palomares Clean-up Personnel.

Amchitka Island (in the Aleutian Island chain in Southwest Alaska) testing personnel and the Downwinders.
