DHS Delays Effective Date of H-1B Selection Final Rule

Release Date : 02/04/2021

On Jan. 7, USCIS [announced](#) the H-1B Selection final rule, which amended the regulations governing the process by which USCIS selects H-1B registrations for the filing of H-1B cap-subject petitions.

To give USCIS more time to develop, test, and implement the modifications to the H-1B registration system and selection process, DHS is delaying the effective date of this final rule from March 9, 2021, to Dec. 31, 2021. The delay will also provide more time for USCIS to train staff and perform public outreach as well as give stakeholders time to adjust to the new rule.

For the upcoming H-1B cap season, USCIS will apply the current regulations (random selection) to any registration period that takes place before Dec. 31, 2021.

Additional information on the delayed effective date is available in the [Federal Register notice](#).
