Dear Mr. Bajari,

I would like to personally thank you for Amazon's generous donation to the Global Antitrust Institute (GAI) at Antonin Scalia Law School, George Mason University. Your gift will play an important role in our program's successes, and we are very grateful for your support.

The GAI was created to promote the application of sound economic analysis to competition enforcement around the world through economic education programs, competition advocacy, and research. Your donation will support this mission by funding Economic Institutes for foreign judges and competition enforcers designed to provide the economic foundation necessary for rigorous antitrust analysis. The gift will also help fund the GAI's Competition Advocacy Program, which provides recommendations on draft laws and guidelines to foreign and domestic competition enforcers.

Without Amazon's assistance, we could not provide all of the tools and resources needed to maintain our Economic Institutes and Competition Advocacy Program. On behalf of the Global Antitrust Institute, we truly appreciate your contribution. Thank you.

Sincerely,

A handwritten signature in black ink, appearing to read 'Joshua D. Wright'.
