**SENIOR PASTOR  
PRINCE OF PEACE CHRISTIAN  
FELLOWSHIP  
El Paso, TX**

Pastor Michael E. Grady began his journey in ministry at an early age. He was born and raised in St. Louis, Missouri, by Godly parents, and licensed and ordained in 1970 to the Gospel Ministry, while serving faithfully as Associate Minister. His leadership within the church extended throughout the mid-west as he preached the gospel and taught at every level of Leadership. He attended Southern Illinois University, Edwardsville, Illinois, where he studied Human Resources prior to entering active duty.

After graduating from the United States Army Chaplain School, he was assigned to Ft. Bliss, Texas in El Paso, where he met and married his wife Jeneverlyn. Pastor Grady and his wife are parents to three daughters. After serving over 20 years in the Chaplaincy of the United States Army, he retired to serve as a pastor full time. He is a former President of the El Paso NAACP and is the Chairman of the El Paso chapter of Crime Survivors for Safety and Justice.

Pastor Grady has been outspoken about the personal toll that gun violence has taken on his family since his daughter Michelle was shot and injured in the El Paso Walmart shooting in 2019.
