I am a Senior Fellow at The Brookings Institution. However, as noted below, I am presenting testimony representing my personal views. As an independent think tank, the Brookings Institution does not take institutional positions on any issue.

If you are a **non-governmental witness**, please list any federal grants or contracts (including subgrants or subcontracts) related to the hearing's subject matter that you or the organization(s) you represent at this hearing received in the current calendar year and previous two calendar years. Include the source and amount of each grant or contract. *If necessary, attach additional sheet(s) to provide more information.*

Consistent with the Brookings Institution's commitment to independence (which includes not taking institutional positions on issues), I am informing the Committee that my testimony represents my personal views and does not reflect the views of Brookings, its other scholars, employees, officers, and/or trustees.

In further response, with consideration to the fact that I am testifying on my personal views, I am providing a link to reports that list Brookings's donors, including any responsive Federal grants or contracts (including subgrants and subcontracts), and/or agreements or payments originating with a foreign government for the relevant time period. The reports can be found at www.brookings.edu/CongressionalTestimonyDisclosure. These Federal and/or foreign grants or payments were for independent research and analysis related to a number of subject matters, including a portion of which may be related to the subject matter of the present hearing. Brookings will update these reports on a regular basis.

Please also note that Brookings may have ongoing agreements with some of the disclosed donors, which could include future payments to Brookings. Upon request, Brookings will provide information regarding ongoing agreements with any donors responsive to this disclosure. Brookings will report any additional payments received under ongoing agreements in subsequent reports.

Finally, additional information on Brookings's donors is provided in the Institution's previous Annual Reports, which can be found at www.brookings.edu/about-us/annual-report.
