The dba of AmPac Tri-State CDC, Inc.
Vitae*

Hilda Kennedy is the founder and President of AmPac Business Capital, a non-profit community lender on a mission to finance and foster business success at all stages of growth. Established in 2005, AmPac started providing business loans in partnership with the US Small Business Administration in 2007. AmPac has provided real estate, equipment acquisition and tenant improvement loans for businesses throughout the state of California totaling greater than half a BILLION dollars. AmPac provides direct community loans for small businesses as a CDFI and SBA Micro lender and through partnerships with local governments. AmPac's vision is to make communities better and families stronger as Champions of Job Makers – Small Businesses.

Kennedy has received numerous honors and recognition at the local, state and national levels. Kennedy was designated Ambassador for Inland Empire Women in Manufacturing bringing greater awareness to young women in the region about the significant contributions of women Makers – Manufacturers and was selected as Woman of the Year by Congresswoman Judy Chu. Hilda is V.P. of Regulatory for the National Association of Development Companies (NADCO); she is on the Board of Trustees of Cal Baptist University, Riverside, and is a past President of the National Association of Women Business Owners – Inland Empire Chapter and California, representing 11 chapters throughout the State.

Kennedy's notes that her greatest accomplishment is being the wife of Brian Kennedy and the mother of four children. Hilda Kennedy is an active member of her church in Ontario, CA where she serves as a teacher in the Women's Ministry and the Business Ministry. Kennedy is a member of Alpha Kappa Alpha Sorority, Incorporated.

Kennedy completed the Goldman Sach's CEO Cohort in Long Beach, and the Wells Fargo Academy for non-profit leaders. She graduated from the University of California at Berkeley, completed a post-graduate fellowship with the Coro Foundation in New York, and completed Master's coursework with the University of San Francisco.
