

Tatia Cooper M.H.S
**Chief Executive Officer (CEO), Home Care Associates of
Philadelphia**

Tatia Cooper has served as the President/CEO of Home Care Associates a worker-owned home health care company based in Philadelphia since May 2018. Home Care Associates (HCA) mission is twofold, providing quality jobs to low-income individuals and ensuring quality care for elders and individuals with disabilities. Prior to 2018, Tatia served as Chief Operating Officer of Home Care Associates. In 2002, Tatia worked as a trainer and organizer for Childspace Cooperative Development Inc., a worker-owned childcare company with sites throughout Philadelphia, PA. Childspace' focus was to empower workers by; improving financial operations to free up additional resources; and encouraging these workers to advocate for additional subsidies and health insurance. Tatia also served as board member to Center in the Park, Center in the Park is a non-profit community center in Philadelphia, PA. primarily focused on the needs of older people. Throughout Tatia's career and education, her focus has been on empowering vulnerable populations including, seniors, people living with disabilities and those facing economic hardships.
